Florida Department of Health

Advance Notice of Funding Opportunity

Ed and Ethel Moore Alzheimer's Disease Research Program

Advance Notice of Funding Opportunity

The Florida Department of Health intends to issue a Funding Opportunity Announcement on or around October 10, 2014 for research relating to the prevention, diagnosis, treatment, and cure of Alzheimer's disease. The Legislature has established the following goals, with priority for research designed to prevent or cure Alzheimer's disease:

- Improve the health of Floridians by researching better prevention and diagnoses of and treatments and cures for Alzheimer's disease.
- Expand the foundation of knowledge relating to the prevention, diagnosis, treatment, and cure of Alzheimer's disease.
- Stimulate economic activity in the state in areas related to Alzheimer's disease research.

Grant information:

- Total available funds: Approximately $3,000,000
- Funding Opportunity Announced: On or around October 10, 2014
- Letter of Intent (required) Due: October 17, 2014 5:00 p.m. *Applications without a Letter of Intent are not eligible*.
- Applications Due: November 10, 2014 5:00 p.m., EST. Late applications will not be accepted.
- Anticipated Award Announcements: On or around December 19, 2014
- Anticipated Grant Start: On or around February 2015

The Funding Opportunity Announcement will be posted on our program website: http://www.floridahealth.gov/provider-and-partner-resources/research/index.html
