The following will detail some of the key features of the TRAIN Transcript page

NOTE: The **Add Trainingfinder Course** button is not applicable to TRAIN Florida learners. Please do not use this feature.

1. Click on the **Course** title to access the Course Details page for each course.
2. Click on the **Reviews** button Reviews to access learner reviews of each course.

3. The **Verified** column shows you if your completed course has been verified as completed within the TRAIN Florida system, if the box has been checked the course is verified. Many TRAIN courses verify automatically upon completion, others may require a TRAIN Florida Administrator to verify, and some courses do not require verification if they are view only.
4. The **Withdrawn** column marks the TRAIN courses you have chosen not to complete, and have removed yourself from. If the box has been checked, you are withdrawn from the course. **NOTE:** The Withdrawn column is not available on Non-TRAIN course additions.
5. The **Remove** button  allows you to permanently delete a TRAIN course from your TRAIN Florida Transcript. **NOTE:** We do not recommend removing courses from your Transcript, unless you have withdrawn from them. Also the Remove button is not available on Non-TRAIN course addition.

NOTE: You may not edit a score for a course that has been verified, a course you have withdrawn from, or a course that has automatic status updates.

Examples of courses you may choose to add a score for are:

- A course accessed via TRAIN Florida, but hosted externally, such as the FEMA ICS courses.
- A TRAIN Florida blended learning course with section assessments, but no main assessment, such as the FDOH Annual OSHA Review.
