Understanding of the Florida Computer Crimes Act, if applicable.

The Department of Health has authorized you to have access to sensitive data through the use of computer-related media (e.g., printed reports, microfiche, system inquiry, on-line update, or any magnetic media).

Computer crimes are a violation of the department's disciplinary standards and in addition to departmental discipline, the commission of computer crimes may result in felony criminal charges. The *Florida Computer Crimes Act, Chapter 815, F.S.*, addresses the unauthorized modification, destruction, disclosure or taking of information resources.

I have read the above statements and by my signature acknowledge that I have read and been given a copy of, or been advised of the location of, the *Florida Computer Crimes Act, Chapter 815, F.S.* I understand that a security violation may result in criminal prosecution according to the provisions of *Chapter 815, F.S.*, and may also result in disciplinary action against me according to Department of Health policy.

The minimum information resource management requirements are:

- Personal passwords are not to be disclosed. There may be supplemental operating procedures that permit shared access to electronic mail for the purpose of ensuring day-to-day operations of the department.
- Information, both paper-based and electronic-based, is not to be obtained for my own or another person's personal use.
- Department of Health data, information, and technology resources shall be used for official state business, except as allowed by the department's policy, protocols, and procedures.
- Only approved software shall be installed on Department of Health computers (DOHP 50-10.2).
- Access to and use of the Internet and email from a Department of Health computer shall be limited to official state business, except as allowed by the department's policy, protocols, and procedures.
- Copyright law prohibits the unauthorized use or duplication of software.
