

**Florida Department of Health
2015-2016 Annual Regulatory Plan**

Section 120.74(1)(a), Florida Statutes (2015)

(1)(a) Laws enacted or amended on or after October 1, 2014 which create or modify the duties or authority of the Department of Health	1. Must agency adopt rules to implement the law?	2.a. If rulemaking is necessary, has a Notice of Rule Development been published? If yes, provide the Florida Administrative Register citation.	2.b. The date by which the Notice of Proposed Rule is Intended to be published	3. If rulemaking is not necessary, provide a concise explanation
2015-004, Laws of Florida	Yes	No	4/1/2016	
2015-010, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-025, Laws of Florida	No			The law requires AHCA to create rules.
2015-045, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-067, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-077, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-079, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-098, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-105, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-109, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-110, Laws of Florida	Yes	Volume 41/154, F.A.R.	4/1/2016	
2015-120, Laws of Florida	Yes	No	4/1/2016	
2015-123, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-177, Laws of Florida	Yes	Volume 41/156, F.A.R.	4/1/2016	
2015-222, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.
2015-224, Laws of Florida	No			The requirement can be fulfilled by implementing the statute.

**Florida Department of Health
2015-2016 Annual Regulatory Plan**

Section 120.74(1)(b), Florida Statutes (2015)

(1)(b) Laws not listed pursuant to section 120.74(1)(a) which the Department of Health expects to implement by rulemaking by July 1, 2016, except emergency rulemaking.	(1)(b) Intent of the rulemaking: simplify, clarify, increase efficiency, improve coordination with other agencies, reduce regulatory costs, or delete obsolete, unnecessary or redundant rules
Please see Attachment 1	

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64B-4.005	Pain Management Clinic Inspection Fee	Rule Repeal	Other	Will incorporate into 64B-7.001, PMC registration	Requires an inspection fee of \$1500 for each PMC location	Repeal rule	None	No
64B-4.006	Pain Management Clinic Fee	Rule Repeal	Other	Will incorporate into 64B-7.001, PMC registration	Requires an inspection fee of \$1500 for each PMC location	Repeal rule	None	No
64B8-1.007	List of Approved Forms; Incorporation	Rule Repeal	Other	The forms incorporated by reference will be incorporated into the applicable application rule for the particular profession.	Lists licensure application forms for particular Board of Medicine professions and provides links to the application form.	Repeal rule	None	No
64B24-1.004	Meetings, Quorum, and Absences	Rule Amendment	Statutory Mandate (federal or state; include effective date)		Statute requires terms be defined by rule.	Establish term definition, clarify procedure to be used for Council meetings and streamline language.	None	No
64B24-1.005	Annual Report	New Rule	Non-mandatory Statutory Change (List, include effective date)		Statute contemplates rules regarding annual reports.	Establishes requirements for annual reports to be created by the Council office.	None	No
64B24-2.001	Licensure to Practice Midwifery	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes application requirements and procedures.	Streamline and remove unnecessary language.	None	No
64B24-2.002	Examination	Rule Amendment	Update Rule (Explain)	Title change and renumbering.	Establishes the exam approved for licensure.	Rule is being changed to a forms rule, for streamlining purposes.	None	No
64B24-2.003	Licensure by Examination	Rule Amendment	Update Rule (Explain)	Renumbering and streamlining language.	Establishes requirements for licensure by exam.	Streamline and remove unnecessary language.	None	No
64B24-2.004	Licensure by Endorsement	Rule Amendment	Update Rule (Explain)	Renumbering and streamlining language.	Establishes requirements for licensure by endorsement.	Streamline and remove unnecessary language.	None	No
64B24-3.002	Application Fees	Rule Amendment	Update Rule (Explain)	Title change and rule reduction.	Establishes application fees for licensure.	Establish all required fees in one rule (rule reduction).	None	No
64B24-3.003	Examination Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes exam fee for licensure.	Moving fee to 64B24-3.002.	None	No
64B24-3.004	Endorsement Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes fee for licensure by endorsement.	Moving fee to 64B24-3.002.	None	No
64B24-3.005	Initial License Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes fee for initial licensure.	Moving fee to 64B24-3.002.	None	No
64B24-3.006	Temporary Certificate Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes fee for a temporary certificate.	Moving fee to 64B24-3.002.	None	No
64B24-3.007	Active Biennial Renewal Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes renewal fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.008	Delinquent Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes delinquent fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.009	Reactivation Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes reactivation fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.011	Duplicate License Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes fee for duplicate license.	Moving fee to 64B24-3.002.	None	No
64B24-3.013	Continuing Education Provider Application Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes fee to become a continuing education provider.	Moving fee to 64B24-3.002.	None	No
64B24-3.014	Unlicensed Activity Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes the unlicensed activity fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.015	Change of Status Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes the change of status fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.016	Inactive Renewal Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes inactive renewal fee.	Moving fee to 64B24-3.002.	None	No
64B24-3.014	Retired Status Fee	Rule Repeal	Other (Explain)	Combining all fee rules into one rule (64B24-3.002).	Establishes retired status fee.	Moving fee to 64B24-3.002.	None	No
64B24-4.001	Definitions	Rule Amendment	Update Rule (Explain)	Lack of standards regarding direct supervision needed for patient safety.	Establishes definitions for training programs.	Removing duplicative language and adding definition of direct supervision.	None	No

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64B24-4.002	Approval of Training Program	Rule Amendment	Update Rule (Explain)	Clarify approval terms and streamline language.	Establishes approval and provisional approval terms for training programs.	Clarifying approval terms for training programs and removes unnecessary language.	SERC	No
64B24-4.003	Acceptance into Training Program	Rule Amendment	Update Rule (Explain)	Remove unnecessary language.	Establishes requirements for acceptance into a training program.	Removing duplicative language.	None	No
64B24-4.005	Faculty	Rule Amendment	Update Rule (Explain)	Remove unnecessary language and clarifies requirements.	Establishes minimum faculty for a training program.	Clarifying physician faculty members must be licensed in Florida and remove unnecessary language.	None	No
64B24-4.006	Curriculum Guidelines and Educational Objectives	Rule Amendment	Update Rule (Explain)	Remove unnecessary language and revising effective dates.	Establishes standards for training program educational curriculum.	Streamlines language & incorporates current effective dates for core competencies.	None	No
64B24-4.007	Clinical Training	Rule Amendment	Update Rule (Explain)	Remove unnecessary language and clarifies direct supervision is required for clinical experiences.	Establishes guidelines for clinical learning experiences.	Streamlines language and clarifies clinical supervision requirements.	None	No
64B24-4.008	Administrative Procedures	Rule Amendment	Update Rule (Explain)	Removes unnecessary language.	Establishes administrative procedures for training programs.	Streamlines language.	None	No
64B24-4.010	Four-month Pre-licensure Course	Rule Amendment	Update Rule (Explain)	Removes duplicative language.	Establishes required documents verifying completion of program.	Streamlines language and clarifies required documentation.	None	No
64B24-5.003	Reactivation of Inactive License	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes procedures for reactivation of an inactive license.	Streamlines language.	None	No
64B24-5.004	Retired Status License	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes requirements for placing a license on retired status and reactivation from retired status.	Streamline and remove unnecessary language.	None	No
64B24-6.004	Continuing Education Providers	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes requirements to become a CE provider.	Streamline and remove unnecessary language.	None	No
64B24-6.005	Criteria for Continuing Education Programs	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes requirements for CE programs and approved providers.	Streamline and remove unnecessary language.	None	No
64B24-6.006	Performance of Pro Bono Services	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes criteria for obtaining CE credit by performing pro bono services.	Streamline and remove unnecessary language.	None	No
64B24-7.001	Definitions	Rule Amendment	Update Rule (Explain)	Review for relevance and accuracy.	Defines certain terms for the standard of practice.	Review for relevance and accuracy.	None	No
64B24-7.004	Risk Assessment	Rule Amendment	Update Rule (Explain)	Streamline language and review for current standards of practice.	Establishes procedures for evaluating patient risk factors.	Review for relevance and accuracy.	None	No
64B24-7.005	Informed Consent	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes form and procedures for informed consent.	Streamline and remove unnecessary language.	None	No
64B24-7.006	Preparation for Home Delivery	Rule Amendment	Update Rule (Explain)	Streamline language and review for current standards of practice.	Establishes standards of practice for home delivery.	Streamline and review for current standards.	None	No
64B24-7.007	Responsibilities of Midwives During the Antepartum Period	Rule Amendment	Update Rule (Explain)	Streamline language and review for current standards of practice.	Establishes standards of practice during the antepartum period.	Streamline and review for current standards.	None	No
64B24-7.008	Responsibilities of Midwives During Intrapartum	Rule Amendment	Update Rule (Explain)	Streamline language and review for current standards of practice.	Establishes standards of practice during the intrapartum period.	Streamline and review for current standards.	None	No
64B24-7.009	Responsibilities of the Midwife During Postpartum	Rule Amendment	Update Rule (Explain)	Streamline language and review for current standards of practice.	Establishes standards of practice during the postpartum period.	Streamline and review for current standards.	None	No

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64B24-7.010	Collaborative Management	Rule Amendment	Update Rule (Explain)	Streamline language.	Establishes procedures for collaborative practice with a physician.	Streamline and remove unnecessary language.	None	No
64B24-7.011	Administration of Medicinal Drugs	Rule Amendment	Update Rule (Explain)	Streamlining language.	Establishes procedures for administration of certain drugs by a midwife.	Streamline and remove unnecessary language.	None	No
64B24-7.013	Requirement for Insurance	Rule Amendment	Update Rule (Explain)	Review for relevance and accuracy.	Establishes requirements for financial responsibility.	Review for relevance and accuracy.	None	No
64B24-7.014	Patient Records	Rule Amendment	Update Rule (Explain)	Streamline language and establish requirement for submission of an annual report.	Establishes requirements for patient records, etc.	Streamline language and establish requirement for submission of annual report.	None	No
64B24-7.015	Advertising	Rule Amendment	Update Rule (Explain)	Streamlining language.	Establishes requirements for advertising.	Streamline and remove unnecessary language.	None	No
64B24-8.002	Disciplinary Action and Guidelines	Rule Amendment	Update Rule (Explain)	Streamline language and update guidelines as necessary.	Establishes penalty guidelines for disciplinary action.	Streamline language and update guidelines as necessary.	None	No
64B24-8.003	Citations	Rule Amendment	Update Rule (Explain)	Streamline and update citationable offenses and penalties.	Establishes penalties for citationable offenses.	Remove unnecessary language and update penalties.	None	No
64B24-8.004	Mediation	New Rule	Statutory Mandate (federal or state; include effective date)		Rules regarding mediation are required in 456, FS.	Establish offenses that can be mediated.	None	No
64B25-28.006	Initial Certification Fee	Rule Amendment	Technical Change	Correct citation	Rule provides the fee for initial certification	Technical change to correct citation from s. 456.017 to s. 456.013	None	No
64B25-28.008	Reactivation Fee	Rule Amendment	Update Rule (Explain)	Correction to fee needed	Rule provides the fee for reactivation of inactive certification	Change fee to \$50	None	No
64B25-28.009	Biennial Inactive status renewal fee	Rule Amendment	Update Rule (Explain)	Correction to fee needed	Rule provides the fee for renewal of inactive certification	Change fee to \$50	None	No
64B25-28.012	Application forms and requirements	Rule Amendment	Other (Explain)	Changes needed to correct citations, update information and repeal provisions no longer needed or supported	Rule provides application and requirements for requesting master social worker certification	Correct citation from s. 455.217(d) to s. 456.013, update application form, and to delete requirement for photographs and three reference forms	None	No
64B25-28.015	Examination for certification	Rule Amendment	Update Rule (Explain)	Changes are needed to update the examination requirements	Rule provides for the eligibility requirements necessary to take examination for certification and the content of the Department's exam	Changes are needed update to reflect current examination vendor and repeal certain exam criteria	None	no
64B29-2.001	Disciplinary guidelines	Rule Amendment	Update/Add Incorporated Material	Need to incorporate 64B12-8.020 and include effective date	disciplinary guidelines for optical establishments	incorporate opticianry rule	None	no
64B29-2.002	Citations	Rule Amendment	Update/Add Incorporated Material	Need to incorporate 64B12-8.021 and include effective date	citation offenses for optical establishments	incorporate opticianry rule	None	no
64B29-2.003	Mediation	Rule Amendment	Update/Add Incorporated Material	Need to incorporate 64B12-8.023 and include effective date	Mediation for optical establishments	incorporate opticianry rule	None	no
64B29-2.004	Notice of Noncompliance	Rule Amendment	Update/Add Incorporated Material	Need to incorporate 64B12-8.023, include effective date, and change title to Notice of Noncompliance	Notice of Noncompliance	incorporate opticianry rule	None	no

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64B29-1.001	Optical Establishment Registration	Rule Amendment	Update/Add Incorporated Material	Need to update application form and registration requirements	Provides the requirements for Optical Establishment Registration	Incorporate updated application form, correct web address, and have (2) and (3) conform	None	No
64C-2.002	Eligibility for CMS Network Services	Rule Amendment	Update Rule (Explain)	Section (2) no longer reflects the method by which clinical eligibility is determined.	Provides requirements for a child to meet financial eligibility for CMS Network participation	Removes obsolete rule language	None	No
64C-2.004	Sliding Fee Scale	Rule Amendment	Technical Change		Provides requirements for family financial participation for certain CMS services	Updates rule reference to reflect 2015 Federal Poverty Guidelines, issued January 22, 2015	None	No
64C-4.002	Diagnostic and Treatment Facilities or Services - General	Rule Amendment	Update Rule (Explain)	As a Medicaid Managed Medical Assistance (MMA) specialty plan, the CMS Network must meet contractual requirements to serve Title XIX-funded enrollees	Provides criteria for facility participation in the CMS Network	Updates rule to reflect contractual and accreditation requirements for the CMS Network	None	No
64C-4.003	Diagnostic and Treatment Facilities or Services - Specific	Rule Repeal	Other (Explain)	The increased level of regulation imposed by this rule is not necessary and, currently, the Florida Department of Health does not regulate pediatric cardiac facilities.	Statute no longer in effect	Rule is pending repeal due to lack of statutory support.	None	No
64C-6.001	Definitions-General (RPICC)	Rule Amendment	Update Rule (Explain)			Update specific rule making authority and definitions and remove obsolete language	None	No
64C-6.002	Standards-General (RPICC)	Rule Amendment	Update Rule (Explain)			Update specific rule making authority, remove obsolete language, and incorporate updated program standards	None	No
64C-6.003	Standards-Specific (RPICC)	Rule Amendment	Update Rule (Explain)			Update specific rule making authority and incorporate updated program standards	None	No
64C-7.008	Objection to Prenatal and Infant (Postnatal) Risk Screening	Rule Amendment	Update/Add Incorporated Material	Updating the screening forms that are incorporated by reference.	Rule incorporates the risk screening forms and describes the process for objection to the screen.	New forms incorporated by reference. Rule language within 64C-7.008 will need to be modified to conform to the screening forms.	None	No
64C-8.002	Child Protection Team Organization, Roles and Responsibilities	Rule Amendment	Update Rule (Explain)	Implementation of Chapter 2015-177 Committee Substitute for Committee Substitute for House Bill 1055	Section 39.2015 Critical Incident Rapid Response Team and Section 39.303 Child Protection Teams; services; eligible cases	Changes to the minimum criteria for State and Local Child Protection Team Medical Directors. Additional roles and responsibilities added to Child Protection Team Medical Directors	None	No
64C-8.003	Child Protection Team Services	Rule Amendment	Update Rule (Explain)	Implementation of Chapter 2015-177 Committee Substitute for Committee Substitute for House Bill 1055	Section 39.303 Child Protection Teams; services; eligible cases	Description of requirements for third party credentialing entities to establish minimum credentialing requirements for Child Protection Team Medical Directors. Requirements for demonstrated ability to administer an education provider program to approve qualified training entities and provide precertification training to applicants and continuing education opportunities to certified professionals.	None	No
64C-8.004	Waivers	Rule Amendment	Update Rule (Explain)	Implementation of Chapter 2015-177 Committee Substitute for Committee Substitute for House Bill 1055	Section 39.3031 Rules for implementation of s. 39.303, F.S.	Describes process for requesting a waiver of qualification requirements

64E-5.1001	Standards	Rule Amendment	Update Rule (Explain)	Current methodology for assessing radon decay product concentrations is no longer NIST traceable. Current units used for radon standards does not include scientific units.	Adding measurements in radon concentration to that of radon decay product concentrations to allow for NIST traceable radon standard. List radon standards in units of working levels.	Addition of methodology that is NIST traceable. Update to clarify the standards units in picocuries per liter as it relates to working level units.	None	No
64E-5.101	Definitions	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides definitions and terms used throughout this part.	Update definitions such as Authorized User and others to be compatible with the U.S. Nuclear Regulatory Commission and the national program.	None	No
64E-5.1201	Radon Requirements and Enforcement	Rule Amendment	Update/Add Incorporated Material		Revision and clarification of violations and enforcement actions	Revision of General Statement of Policy and Procedures for Radon Enforcement Actions to more clearly identify minor violations	None	No
64E-5.1501	Purpose and Scope	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides the general requirements for the transportation of radioactive materials.	Update the 49 CFR references to the October 1, 2014 edition and the 10 CFR references to the January 1, 2015 edition.	None	Yes
64E-5.1502	Transportation of Radioactive Materials	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides the general requirements for the transportation of radioactive materials.	Update the 49 CFR references to the October 1, 2014 edition and the 10 CFR references to the January 1, 2015 edition.	None	Yes
64E-5.1506	Advance Notification of Shipment of Certain Quantities of Radioactive Waste	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides notification requirement to the Governor or his designees when high level radioactive waste is shipped from or through the state.	Require advance notification to the governor as well as the Indian Tribal official; and the Division Director of Security Policy, Office of Nuclear Security and Incident Response of irradiated reactor fuel and nuclear (radioactive) waste being shipped from or through the state.	None	Yes
64E-5.1601	Definitions	Rule Amendment	Update Rule (Explain)		Provides definitions and terms used throughout this part.	Amend the definition of portable shielding to clarify terminology.	None	Yes
64E-5.202	Source Material - Exemptions	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides exemptions for use of radioactive source material.	Clarify exemptions regarding radioactive source material possession, use and transfer in ceramic tableware, glassware, optical lens and mirrors and others.	None	Yes
64E-5.203	Radioactive Materials Other Than Source Material - Exemptions	Rule Amendment	Update/Add Incorporated Material	The U.S. Nuclear Regulatory Commission requires this rule to be consistent with the national program.	Provides exemptions for use of radioactive source material.	Clarify the rule does not authorize the import of radioactive materials or limit the number of radioactive materials; incorporates by reference the list of exempt concentrations isotopes and exempt quantities isotopes (Schedule A and B). Clarifies requirements for static eliminator ion devices, certain self-luminous products, certain gas and aerosol detectors containing radioactive materials and the requirements for license to distribute these products.	None	Yes
64E-5.204(1)(c)1.	Types of Licenses	Rule Amendment	Update Rule (Explain)		Lists the types of radioactive materials licenses and the fees associated with each type.	Delete the requirement for a fee for static elimination devices described under the general license listed in 64E-5.206(1)(a).	None	No

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64E-5.205	General Licenses - Source Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides a general license to possess, use, transfer small quantities of radioactive source material.	Clarify the requirements needed to possess, use or transfer radioactive source materials. Clarifies radioactive source materials possession limits and concentrations limits allowed under the general license to protect public health and safety.	SERC	Yes
64E-5.206	General Licenses - Radioactive Material Other than Source Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Lists the requirements to possess certain devices containing radioactive materials under a general license and under certain types of general licenses.	Clarify the requirements when device containing certain quantities of beta/gamma emitting radioactive materials are required to be tested for radioactive material leakage or contamination. Delete the requirements needed to possess this radioactive material.	None	Yes
64E-5.208	General Requirements for Issuance of Specific Licenses	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Lists the general requirements for the issuance of a specific license.	Provide clarifying text identified by the U.S. Nuclear Regulatory Commission that these general requirements also apply to the specific requirements listed in other parts of the chapter.	None	No
64E-5.209	Special Requirements for Specific Licenses of Broad Scope	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Lists the special requirements to obtain a broad scope specific radioactive materials license	Incorporate by reference the list of isotopes and maximum radioactive materials quantities one may possess under a broad scope license (Schedule D).	None	Yes
64E-5.210	Special Requirements for a Specific License to Manufacture, Assemble, Repair or Distribute Commodities, Products or Devices Which Contain Radioactive Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Generally lists the requirements for nuclear pharmacies and nuclear pharmacists to manufacturer or distribute radioactive materials for medical use and general requirements for the manufacture, assembly, repair and distribution of radioactive materials under certain general licenses.	Provide specific clarifying requirements for nuclear pharmacies and nuclear pharmacists to manufacturer or distribute radioactive materials for medical use and the requirements that the devices containing radioactive materials manufactured and distributed under a general license have an adequate quality assurance program and the products satisfy a safety review.	None	Yes
64E-5.210(14)	Special Requirements for a Specific License to Manufacture, Assemble, Repair or Distribute Commodities, Products or Devices Which Contain Radioactive Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Generally lists the requirements for nuclear pharmacies and nuclear pharmacists to manufacturer or distribute radioactive materials for medical use and general requirements for the manufacture, assembly, repair or distribution of sources containing radioactive materials.	Update and clarify the requirements for an evaluation of a sealed source or device containing radioactive materials to be listed in the National "Sealed Source and Device Registry" database safety evaluation used by other federal and state regulatory agencies to authorize possession and use of the radioactive materials.	None	Yes
64E-5.210(15)	Special Requirements for a Specific License to Manufacture, Assemble, Repair or Distribute Commodities, Products or Devices Which Contain Radioactive Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides the general requirements for distribution of radioactive materials to persons under a general license.	Update and clarify the requirements to manufacture or distribute radioactive source materials to persons under a general license.	SERC	Yes
64E-5.213	Specific Terms and Conditions of License	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides notification requirements when an entity possessing radioactive materials files Chapter 11 bankruptcy and requires devices or sealed sources containing radioactive materials are manufactured in accordance with national standards.	Revise references to Chapter 11 federal bankruptcy code and clarifies the standard for manufacturing devices/sources containing radioactive materials safety criteria.	None	No

2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64E-5.215	Transfer of Material	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Lists the specific requirements to transfer radioactive materials under a specific license and general requirements to transfer radioactive material under a general license.	Clarify the specific requirements to transfer radioactive source materials under a general license.	SERC	Yes
64E-5.217	Bonding of Persons Licensed Pursuant to Subpart II C	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides financial assurance mechanism for radioactive material decontamination costs.	Clarify the requirements for decommissioning funding of certain facilities that possess certain quantities of special nuclear materials (Plutonium, Uranium 235 and Uranium 233).	None	Yes
64E-5.223(3)	Criteria for License Termination Under Restricted Conditions	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides financial assurance mechanism for radioactive material decontamination costs.	Add an additional mechanism for financial assurance.	None	Yes
64E-5.224(6)	Alternate Criteria for License Termination	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides financial assurance mechanism for radioactive material decontamination costs.	Add an additional mechanism for financial assurance.	None	Yes
64E-5.226	Minimizing Contamination	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Requires facilities to limit the amount of radioactive contamination.	Clarify the requirements to meet for radioactive contamination criteria.	None	Yes
64E-5.314	General	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Requires facilities to perform radiation surveys.	Clarify that the surveys also include looking for radioactive residual contaminations and records must be kept.	None	Yes
64E-5.424(1)	Requirements for Industrial Radiography Equipment Using Sealed Sources	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides performance requirements of industrial radiographic equipment that is required by industry standards.	Provide the link that incorporated by reference industry standards document currently lists.	None	Yes
64E-5.501	Definitions	Rule Amendment	Update Rule (Explain)		Provides definitions of terms used throughout this chapter.	Update and revise definitions of the types of physicians to match regulatory and industry standards.	None	No
64E-5.502(2)	Shielding	Rule Amendment	Update Rule (Explain)		Requires certain thicknesses of material to be used as shielding in order to protect members of the public and radiation workers from radiation when it is used.	Consolidate and clarify shielding requirements when operating medical diagnostic equipment.	None	Yes
64E-5.506	Intra Oral Dental Radiographic Systems	Rule Amendment	Update Rule (Explain)	To revise/update rule incorporating changes to Information Notice 30.	Provides general requirements for use of intra oral dental radiographic systems.	Update and define Intra Oral Dental Radiographic Systems.	None	Yes
64E-5.507	Therapeutic X-Ray Systems of Less Than 1 MeV	Rule Amendment	Update Rule (Explain)		Provides requirements for therapeutic x-ray systems of less than 1 MeV.	Modernize rules for current types and uses of therapy machines.	None	Yes

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64E-5.6011	Definitions	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides definitions and terms used throughout this part.	Update definitions such as Authorized User and others to be compatible with the U.S. Nuclear Regulatory Commission and the national program.	None	Yes
64E-5.636	Safety Procedures and Instructions for Remote Afterloader Units, Teletherapy Units and Gamma Stereotactic Radiosurgery Units	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides Safety Procedures and Instructions for Remote Afterloader Units, Teletherapy Units and Gamma Stereotactic Radiosurgery Units.	Revise locations of certain operating and emergency procedures and contacts.	None	Yes
64E-5.6411	Full Calibration Measurements on Remote Afterloader unit	Rule Amendment	Update Rule (Explain)	The U.S. Nuclear Regulatory Commission requires this rule to be consistent and compatible with the national program.	Provides requirement for a full calibration of a remote afterloader unit that provides radiation doses to patients.	Revise the requirements to calibrate the unit such as to include performing an audiograph to confirm location of the radioactive source and inventory.	None	Yes
64E-5.701	Equipment Requirements	Rule Amendment	Update Rule (Explain)		Provides equipment requirements for analytical x-ray.	Modernize rules for current types of analytic machines.	None	No
64E-5.702	Area Requirements	Rule Amendment	Update Rule (Explain)		Provides radiation level requirements for analytical x-ray.	Modernize rules for current types of analytic machines.	None	Yes
64E-5.703	Operating Requirements	Rule Amendment	Update Rule (Explain)		Provides radiation level requirements for analytical x-ray.	Modernize rules for current types of analytic machines.	None	Yes
64E-5.704	Personnel Requirements	Rule Amendment	Update Rule (Explain)		Provides requirements for persons operating or maintaining analytical x-ray equipment.	Modernize rules for current types of analytic machines.	None	Yes
64E-5.801	Registration Requirements	Rule Amendment	Update Rule (Explain)		Provides registration requirements for the use of particle accelerators.	Modernize rule for current types and uses of particle accelerators. Update the 1985 incorporated by reference form and replace with the 2014 version that is incorporated by reference in Rule 64E-5.511.	None	Yes
64E-5.802	General Requirements for the Issuance of a Registration Certificate for Particle Accelerators	Rule Amendment	Update Rule (Explain)		Provides registration requirements for obtaining certification for the use of analytical particle accelerators.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.803	Particle Accelerators for Therapeutic Use on Humans	Rule Amendment	Update Rule (Explain)		Provides general requirements for the issuance of a registration certificate for particle accelerators for therapeutic use.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.804	Limitations	Rule Amendment	Update Rule (Explain)		Provides for limited use of and demonstrated proof of competence to operate particle accelerators.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.805	Shielding and Safety Design Requirements	Rule Amendment	Update Rule (Explain)		Provides shielding and safety design for analytical particle accelerators.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.806	Particle Accelerator Controls and Interlock Systems	Rule Amendment	Update Rule (Explain)		Provides requirements for particle accelerator controls and interlock systems.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.807	Warning Devices	Rule Amendment	Update Rule (Explain)		Provides warning devices to be used with analytical particle accelerators.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-5.808	Operating Procedures	Rule Amendment	Update Rule (Explain)		Provides operating procedures for the use of analytical particle accelerators.	Modernize rule for current types and uses of particle accelerators.	None	Yes

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64E-5.809	Radiation Monitoring Requirements	Rule Amendment	Update Rule (Explain)		Provides requirements for portable monitoring equipment and surveying.	Modernize rule for current types and uses of particle accelerators.	None	Yes
64E-9.001	Public Pools-General	Rule Amendment	Statutory Mandate (federal or state; include effective date)	Revisions to operating permit application procedures; Ch. 2014-154, Laws of Florida, effective date July 1, 2014.	Describes operation permit application procedure	s. 514.03, .031, & s. 553.79, F.S., require specific application process sequence	None	Yes
64E-9.013	Public Pools-Bathing Places	Rule Amendment	Technical Change	Water quality bacteria standards should match new FL DEP standards	Fecal indicator bacteria standards have three options for freshwater, FL DEP has only one.	Fecal coliform and <i>Enterococci</i> bacteria standards will be deleted	None	No
64E-9.016	Public Pools-Variations	Rule Amendment	Non-mandatory Statutory Change (List; include effective date)	Revisions to s. 514.0115, F.S., allow Building Code variances by DOH; Ch. 2014-154, Laws of Florida, effective date July 1, 2014.	This clarifies DOH role in building code variance process	Process to request building code variances from DOH	None	No
64E-9.019	Artificial Impoundments as Bathing Places	New Rule	Other (Explain)	To protect public health, prevent disease and injury, minimum standards need to be established so they are incorporated into the original construction features on such locations.		Provide for a clear definition of artificial impoundments that are constructed as a bathing place and establish safety and sanitation standards.	None	Yes
64E-21.001	Drowning Prevention Education/Public Information Publication	Rule Amendment	Update/Add Incorporated Material	Revise dates edition of materials listed in rule	Drowning Prevention Education/Public Information Publication	Change date of Am Red Cross Water Safety Course and Consumer Products Safety Commission Publication	None	No
64E-27.001	Childhood Lead Poisoning Prevention	Rule Amendment	Update Rule (Explain)		Screening and Case Management	Revise language to reflect FDOH organizational structure post-reorganization; Support Governor's Rule reduction initiative	None	No
64F-1.001	Authority, Purpose and Applicability	Rule Amendment	Update/Add Incorporated Material	Updated with governing federal regulation	Adopts federal rules by reference governing WIC Program	Update governing federal regulation	None	No
64F-1.0015	Materials Incorporated By Reference	Rule Repeal	Other (Explain)	Repeal as obsolete	Adopted materials by reference	Repeal as obsolete	None	No
64F-1.002	Definitions	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided definitions	Repeal as obsolete	None	No
64F-1.003	Vendor Selection and Authorization	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided criterion	Repeal as obsolete	None	No
64F-1.004	Agreement	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided agreement terms	Repeal as obsolete	None	No
64F-1.005	Monitoring of Food Vendors	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided criterion for monitoring	Repeal as obsolete	None	No
64F-1.006	Food Vendor Sanctions	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided vendor sanctions	Repeal as obsolete	None	No
64F-1.007	Fair Hearing and Appeals	Rule Repeal	Other (Explain)	Repeal as obsolete	Provided hearing process	Repeal as obsolete	None	No
64F-3.001	Definitions	Rule Amendment	Update Rule (Explain)	Updating of rule chapter definitions.	Rule contains definitions of services provided and persons served through Healthy Start care coordination.	Rewrites certain definitions.	None	No
64F-3.002	County Health Department Responsibility	Rule Amendment	Technical Change	Changing name of risk screening form.	Rule describes how local health departments must provide, receive, and process risk screening forms.	Eliminates the term Healthy Start in describing the risk screening form.	None	No
64F-3.003	Healthy Start Prenatal and Infant Health Care Coalition Responsibility	Rule Amendment	Technical Change	Changes assure to ensure and corrects specific authority citation.	Describes the responsibilities of Healthy Start coalitions.	Changes assure to ensure and corrects specific authority citation.	None	No
64F-3.004	Healthy Start Care Coordination System	Rule Amendment	Update Rule (Explain)	Updates rule language.	Describes the responsibilities of care coordinator providers.	Minor changes to rule language.	None	No

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64F-3.005	Care Coordination Services	Rule Amendment	Update Rule (Explain)	Updates rule language.	Describes how care coordination services are provided.	Minor changes to rule language.	None	No
64F-3.006	Enhanced Services	Rule Amendment	Update Rule (Explain)	Updates rule language and corrects specific authority citation.	Eliminates description of enhanced services, which is not needed because term is defined in 64F-3.001.	Changes to rule language.	None	No
64F-6.001	Definitions	Rule Amendment	Update Rule (Explain)	Updates or deletes definitions within the rule. Corrects specific authority and law implemented references.	Definitions for terms used in 64F-6.	Eliminates three definitions deemed unnecessary, amends others.	None	No
64F-6.002	School Health Services Plan	Rule Amendment	Update Rule (Explain)	Deletes language deemed unnecessary and makes minor changes to existing language. Corrects specific authority and law implemented references.	Describes minimum components that must be included in a school health services plan.	Deletes language saying the Department, in cooperation with the department of education, shall develop a state plan. Deletes language regarding medical protocols.	None	No
64F-6.003	Screening	Rule Amendment	Update Rule (Explain)	Deletes language deemed unnecessary, adds an additional screening and deletes another. Corrects specific authority and law implemented references.	Describes screening that must be provided and the grade levels when they must be provided.	Modifies grade levels for hearing and developmental screenings. Adds a requirement for dental health screening. Deletes the requirement for scoliosis screening.	None	No
64F-6.004	Meeting Emergency Health Needs	Rule Amendment	Update Rule (Explain)	Deletes language deemed unnecessary, adds or modifies additional language. Corrects specific authority and law implemented references.	Describes the process for managing health emergencies, supplies, and parental documentation.	Further defines aspects of a student's emergency information record. Makes a change that eliminates redundant language.	None	No
64F-6.005	Maintenance of Records	Rule Amendment	Update Rule (Explain)	Total rewrite of language in 64F-6.005. Corrects specific authority and law implemented references.	Describes how a health record is maintained and the information contained in the record. Describes how confidential records must be secured.	Total rewrite of language in 64F-6.005. Corrects specific authority and law implemented references.	None	No
64F-6.006	Exceptional Student Education Program	Rule Amendment	Update Rule (Explain)	Deletes 64F-6.006, language deemed unnecessary.	Describes the Exceptional Student Education Program.	Deletes 64F-6.006, language deemed unnecessary.	None	No
64F-7.001	Definitions	Rule Amendment	Technical Change	Corrects the citation for specific authority.	Definitions for terms used in 64F-7.	Corrects the citation for specific authority.	None	No
64F-7.002	Eligibility	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority. Adds reference to rule where sliding fee scale is found.	Rule states eligibility requirements for minors.	Updates rule language, cites fee scale rule, changes specific authority.	None	No
64F-7.003	Informed Consent	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority. Updates rule language.	Ruler describes requirements for informed consent.	Updates rule language, further defines informed consent, changes specific authority.	None	No
64F-7.004	Services	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority and incorporates guidelines for routine contraceptive management.	Describes what services must be provided, including requirements for education and counseling.	Updates rule language, describes minimum requirements, and changes specific authority.	None	No

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be Implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64F-7.005	Revisits	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority and minimal updates to rule language.	Describes revisit schedules and what services are provided at a revisit.	Corrects the citation for specific authority and minimal updates to rule language.	None	No
64F-7.006	Temporary Contraceptive Methods	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority and minor change to rule language.	Describes requirements regarding temporary methods.	Corrects the citation for specific authority and minor change to rule language.	None	No
64F-7.007	Voluntary Sterilization	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority and incorporates federal guidelines..	Describes guidelines regarding voluntary sterilization.	Corrects the citation for specific authority and incorporates federal guidelines..	None	No
64F-7.008	Infertility Services	Rule Amendment	Update Rule (Explain)	Corrects the citation for specific authority and minimal changes to rule language.	Describes requirements regarding infertility services.	Corrects the citation for specific authority and minimal changes to rule language.	None	No
64F-19.001	Definitions	Rule Amendment	Technical Change	Corrects the specific authority reference.	Definitions of terms used in 64F-19.	Corrects the specific authority reference.	None	No
64F-19.002	Eligibility	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes the requirements for eligibility under the program.	Corrects the specific authority reference.	None	No
64F-19.003	Certification and Authorization	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes consent procedure to authorize the release of information.	Corrects the specific authority reference.	None	No
64F-19.004	Enrollment Period	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes the enrollment period.	Corrects the specific authority reference.	None	No
64F-19.005	Waiver Program Enrollment Process	Rule Amendment	Update Rule (Explain)	Corrects the specific authority reference and amends rule language.	Describes the conditions of enrollment.	Changes tubal ligation to permanent sterilization procedure. Requires proof of citizenship only if changes since the loss of full Medicaid.	None	No
64F-19.006	Management of Minors	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes how minors are managed under the program.	Corrects the specific authority reference.	None	No
64F-19.007	Non-Covered Services	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes services that are not covered.	Corrects the specific authority reference.	None	No
64F-19.008	Continuation of Services	Rule Amendment	Update Rule (Explain)	Corrects the specific authority reference and slightly changes rule language.	Describes the conditions of enrollment.	Adds the term full to the statement that a woman becomes eligible after she loses full Medicaid eligibility.	None	No
64F-19.009	Termination of Services	Rule Amendment	Update Rule (Explain)	Corrects the specific authority reference and slightly changes rule language.	Describes how a client is terminated.	Adds the term full to the statement she becomes eligible for full Medicaid.	None	No
64F-19.010	Due Process for Waiver Applicants and Clients	Rule Amendment	Technical Change	Corrects the specific authority reference.	Describes the fair hearing due process on decisions made.	Corrects the specific authority reference.	None	No
64F-19.011	Approved Form; Incorporation	Rule Amendment	Technical Change	Corrects the specific authority reference.	Incorporates by reference the Health Insurance Application for Extended Family Planning Benefits form.	Corrects the specific authority reference.	None	No

**Department of Health
2015-2016 ARP Attachment 1**

Rule Number	Rule Title	Rulemaking Action	Reason for Rulemaking	Additional Details on Reason for Rulemaking	Description of Current Rule or Statute to be implemented	Description of Changes to be Made in Rulemaking	Economic Impact	Highly Technical or Complicated
64F-24.001	Practice Parameters	New Rule	Statutory Mandate (federal or state; include effective date)	383.336(2), F.S., requires the Department to establish practice parameters for cesarean deliveries paid for by state or federal funds.	The purpose of the proposed rule is to update practice parameters for cesarean deliveries that are partly or fully funded by state funds or federal funds administered by the state. This rule will also implement section 9. of Florida Session Law 2012-31 by replacing rule 10D-116.005 F.A.C	No changes; new rule	None	No
64I-1.001	Definitions	Rule Amendment	Update Rule (Explain)	The rule will be amended to add new and clarify current definitions.	The rule defines terms used in Sections 381.739-79, F.S., and Chapter 64I-1, F.A.C.	The rule will be amended to add new and clarify current definitions.	None	No
64I-1.002	Ineligibility, Eligibility and Closure	Rule Amendment	Update Rule (Explain)	The Department has determined it should re-examine eligibility criteria for applicants and clients of the Brain and Spinal Cord Injury Program.	The rule defines when an applicant is not eligible for the Brain and Spinal Cord Injury Program and when a client is no longer eligible for services through the program.	The rule will be amended to redefine eligibility criteria for applicants and clients of the Brain and Spinal Cord Injury Program.	None	No
64I-1.003	Services	Rule Amendment	Technical Change		The rule defines that services may only be provided by prior authorization of the program; that applicants may only receive services to the extent necessary to determine eligibility for the program; and what services may not be provided.	The rule will be amended to update terminology as a result of amendments to 64I-1.001, F.A.C.- Definitions, as well as minor capitalization changes.	None	No
64I-1.005	Transitional Living Facility (TLF) Services	Rule Repeal	Other (Explain)	Senate Bill 682 removed the references to TLF's in s.381.75, F.S. and deleted s.400.805, F.S. effective July 1, 2015. The Department's transitional living facilities rule was previously invalidated through rule challenge in 2013.	Rule was previously ruled invalid 2/18/13. Due to Chapter 400.805, F.S. being deleted 7/1/15 the Department is no longer required to adopt rules governing the services provided to clients of transitional living facilities.	NOTE: No rule repeal may be necessary since the rule was invalidated in 2013. Legal is checking to see if repeal is necessary or not with JAPC.	None	Yes
64J-1.011	Involuntary Inactive Certification	Rule Amendment	Update Rule (Explain)	Incorrect rule references.	Requirements for involuntary status.	Correct rule references.	None	
64J-2.002	Prehospital Requirements for Trauma Care.	Rule Amendment	Update Rule (Explain)	Incorporate by reference new trauma triage scorecard methodologies	Establishes requirements for pre-hospital care of trauma patients for EMS and hospitals	Removes reference to triage scorecard methodologies incorporated by reference from 64J-2.004 and 64J-2.005.	None	No

RE: 2015-2016 Agency Annual Regulatory Plan

Dear Committee:

In accordance with section 120.74(1)(d), Florida Statutes, I hereby certify that I have reviewed this Annual Regulatory Plan and that the Department regularly reviews all of its rules to determine if the rules remain consistent with the agency's rulemaking authority and the laws implemented. The Department completed its most recent review June 30, 2015.

John H. Armstrong, MD, FACS
State Surgeon General and Secretary

Nichole Geary
General Counsel
