

Coalitions: The Future of Healthcare Preparedness in Florida

**August 21, 2013
2:00-3:15 PM EST**

Featured speakers:

**Florida Department of Health
Bureau of Preparedness and Response
Medical Surge Unit**

Purpose

After the July 26th Webinar previewing changes to the 2013-2014 ASPR Hospital Contracts, the Hospital Preparedness Program received overwhelming numbers of requests for additional information on healthcare coalition development and membership. This webinar continues the discussion of the development and recognition of healthcare coalitions in Florida and will provide additional information and definition on reporting requirements for ASPR Hospital Preparedness Program (HPP) contracts. We will also discuss how the development of healthcare coalitions will influence event response at local and state levels.

This is a must see for healthcare agency individuals tasked with ASPR contract management, current coalition members and individuals planning to join or participate in the development of a healthcare coalition

Learning Objectives:

Upon completion of the program, the participant will be able to:

- Discuss the definition of a healthcare coalition.**

- Discuss who needs to be involved in a healthcare coalition.
- Understand the requirements for being recognized as a healthcare coalition by the Department of Health in Florida
- Discuss how ASPR funding will transition from individual hospitals to primarily healthcare coalitions.
- Continue the discussion of ASPR HPP contract changes.
- Discuss best practices related to healthcare coalition development and sustainment.
