

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Vision: To be the Healthiest State in the Nation

Rick Scott

Governor

John H. Armstrong, MD, FACS

State Surgeon General & Secretary

INTEROFFICE MEMORANDUM

DATE: April 18, 2013

TO: County Health Department Directors/Administrators

FROM:  Dennis V. Cookro, M.D., M.P.H.
Interim Deputy Secretary for Health

SUBJECT: Immunization Assessments Ranking Report for 2012-2013

INFORMATION ONLY

Please review the enclosed *Immunization Assessments Ranking Report for 2012-2013*, which is a compilation of county-specific results of the following previously published Division of Disease Control and Health Protection, Immunization Section assessments:

- *Kindergarten and Seventh Grade Immunization Status Report 2012-2013*
- *Vaccine Accountability Report January 1, 2012 – December 31, 2012 (Cumulative)*
- *Assessment of County Health Department Immunization Coverage Levels (2013) (aka CHD Annual Assessment)*
- *Survey of Immunization Levels in Two-Year-Old Children (2012)*

The enclosure's double underlines distinguish which counties met the state goal for the individual assessment. All counties listed above a double underline met or exceeded that goal. If you have any questions regarding the previously published assessments included in this report, or if you would like copies, please contact your Immunization Section field staff representative.
