Keynote Presentation

Gina Gallagher and Patricia Konjoian, authors of "Shut Up About Your Perfect Kid," share the extraordinary reality -- the joys, challenges, and absurdities of raising

"imperfect" children in a world preoccupied with perfection. For more information about the "Shut up Sisters," please visit shutupabout.com.

EARLY INTERVENTION IS KEY...

This conference aims to raise awareness and sensitivity by providing accurate information while bringing all stakeholders together to form a community alliance. The consequences of untreated mental health disorders in children and adolescents are severe. Preventing suicide, school failure, criminal behavior, and substance abuse are what we, as advocates, aim for as we promote treatment and recovery for our children and youth.
