Dear Providers:

Children's Medical Services Network (CMSN) Specialty Plan is extending the continuity of care period for our initial health plan members through November 30, 2014. CMSN Plan will continue to honor any service authorizations you previously received or any ongoing treatment plans for any members who joined our plan starting August 1, 2014.

In the coming weeks, one of our Integrated Care Systems (ICS) partners, either Ped-I-Care or South Florida Community Care Network (SFCCN), will be contacting you regarding signing a contract and officially becoming a CMSN Plan network provider. We greatly appreciate all that you have done to serve our CMSN Plan members in the past and we look forward to continuing to work with you in the future. Please give the ICSs your full cooperation, so we can ensure our members continue to receive care.
