Re: Chapter 381.0065(4)(m), FS Compliance for "Cintas Drain Line Maintainer"

Dear Ms. Finley:

This letter is to acknowledge receipt of a request for a change in product labeling for "BioOne®" to "Cintas Drainline Maintainer" for statewide use in Florida.

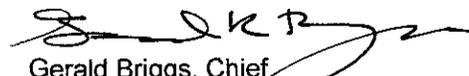

The department determined on August 23, 2001 that the product, **BioOne®** was in compliance with section 381.0065(4)(m), FS. Based on a review of the MSDS and certification from the manufacturer that the ingredients, formulation, and application rate of the product "**Cintas Drain Line Maintainer**" have not changed, the department has determined product compliance with s. 381.0065(4)(m), FS and has no objection to the use of the product in accordance with manufacturer's specifications. Please be advised that all rules pertaining to the use of the product shall be observed and that there shall be no advertising of the product as state approved.

Be advised that the department is not a testing agency and that this determination reflects only a review of the information submitted by you for compliance with Florida Statutes and Florida Administrative Code. The product evaluation does not investigate the validity of performance claims by manufacturers. For this reason, departmental acceptance must not be interpreted as certifying effectiveness, endorsing or recommending use of an additive. The Florida Department of Health also does not assume liability for any promise, guarantee or expectation from purchasing or using an additive. The department reserves the right to withdraw acceptance if product formulation or ingredients are modified after product evaluation by the department or subsequently found not to be in compliance with rule.

This letter of product compliance is limited to Department of Health jurisdictional circumstances as defined in Chapter 64E-6, Florida Administrative Code and Chapter 381.0065, Florida Statutes.

If we may be of further assistance or should you have any additional questions regarding this letter, please contact Marcelo J. Blanco at (407) 316-4540 or by email at Marcelo_Blanco@doh.state.fl.us.

Sincerely,

Gerald Briggs, Chief
