

Florida Department of Health, Division of Disease Control and Health Protection
Rules Workshop
Agenda

Chapter 64E-8, Florida Administrative Code
August 6, 2018
1:00 pm to 4:00 pm
4025 Esplanade Way, Room 301, Tallahassee, FL 32311

This meeting is open to the public.

Call to Order

- 1) The purpose of this workshop is to receive public comments on draft rules 64E-8.001-.007, .009-.010, and .012-.013 as noticed in the April 27, 2018, Volume 44, Number 83 edition of the Florida Administrative Register.
- 2) This workshop is being audio recorded. The recording will be a part of the public rulemaking record, as will the Attendee Record and any comments provided to the agency.
- 3) Persons who wish to speak must state their name, spell their last name, state the entity they represent, if any, and speak clearly.
- 4) Persons who wish to submit written materials must state their name, spell the last name, state the entity they represent, if any, and clearly state that they wish to submit written materials.
- 5) Agency personnel will not be available for off-the-record discussion at any time, including during breaks and after the conclusion of the workshop.

Legal Authority for Changes

Sections 381.006(1), (3)(a); 381.0062(2)(a), (i), (j); and 403.862(1)(f), (g), F.S.

Objectives for the draft rule

- 1) Update and clarify definitions to make language more readable to non-members of particular trades or professions.
- 2) Update the effective dates of adopted forms DH 4092A/B and DH 4095.
- 3) Update effective dates and Internet addresses for DOH Health Advisory Level Listing incorporated by reference in existing rules.
- 4) Incorporate by reference United States Environmental Protection Agency (EPA) Drinking Water Standards and Health Advisories and provide the Internet address from which the materials are available.
- 5) Update effective dates, mailing addresses, and Internet addresses for DOH, EPA, American Water Works Association, and United States Food and Drug Administration (FDA) guidance documents incorporated by reference in existing rules.
- 6) Update effective dates and Internet addresses for EPA, FDA, and National Sanitation Foundation standards incorporated by reference in existing rules.
- 7) Correct office mailing address.
- 8) Correct formatting and grammatical errors for consistency.

Chapter 64E-8 changes

Changes will be discussed by section. Order of discussion will be determined by the order that requests are received on the attendee record.
