* EXAMINATIONS

Examinations will consist of 50 questions, both multiple choice and true/false. The time allotted to complete the exam is one hour and twenty minutes. Examinations will be graded as completed by the student, with 70% as the minimum passing score. Those students who do not pass the exam will be given the opportunity to review their examinations. A second examination will be given after the review period. A participant who does not achieve the minimum passing score on the second test will be required to repeat the course, as will any participant who does not take the second test on the same day. Please note examination time does not qualify for CEUs.
