Be Ready for 7th Grade

Make Sure Your Children are Up-to-Date

Tetanus-diphtheria-pertussis (Tdap) immunization is required for all students entering 7th grade. It must be documented on an updated Florida Certification of Immunization (DH 680 form) and submitted to the school.

The protection from some early childhood vaccines can wear off. Review your child’s immunization records with a health care provider to make sure all vaccines recommended for adolescents are up-to-date.

Florida immunization requirements are found in the Immunization Guidelines for Florida Schools, Childcare Facilities, and Family Daycare Homes, which is incorporated by reference in Rule 64D-3.046, Florida Administrative Code.
