Businesses and individuals providing radon services in Florida must be certified by the Florida Department of Health. Individuals must also be associated with a radon business. Your radon test report should include the following information:

- 1) the name and Florida certification number of the radon business,
- 2) the name and Florida certification number of the individual that performed the test,
- 3) the date and time of the start and end of the test, and
- 4) the type of device used.

If you have any questions about the radon businesses listed below or your radon test results, call this office at the above number. Please be sure the selected business' certification has not expired.
