

PROJECT # A-1415DOH-025, Audit of the CAREWare Application

The purpose of this project was to audit the design and operation of the Department of Health's CAREWare application to assess efficiency and effectiveness, compliance with select regulatory requirements, and the present and performance of select controls.

This report has been classified as **CONFIDENTIAL** in accordance with Section 282.318(4)(a), *Florida Statutes* and thus is not available for public distribution. Confidential reports are only delivered to individuals appropriate to the activity that was reviewed.

All others wishing to view or obtain the results of this report must submit a written request to the Director of Auditing stating your name, business entity you work for and current title, phone number, the report number you are requesting and a detailed explanation as to the reason for your request. Once approved, a time and date will be established for you to view the requested documentation under the supervision of Internal Audit staff.
