

**Florida Department of Health Division of Community Health Promotion
RFA # 18-005 – Systems Change to Increase Chronic Disease Services**

Question:

Can County Health Departments (CHDs) apply for this RFA?

Answer:

As outlined in Section 3 on pages 10 and 11, only health systems classified as a Federally Qualified Health Center (FQHC), hospital, cancer center, primary care organization, or community-based organization may apply. Eligible applicants must meet the criteria for the chronic disease service category for which they are applying.
