I attest that the child identified above is actively under my care for the management of the chronic and serious condition(s) identified on this form by my initials.

I attest that my patient is under 21 years of age with a chronic physical, developmental, behavioral, or emotional condition, and also requires health care and related services of a type or amount beyond that which is generally required by children.

I attest my patient has functional limits related to his or her ability to do the things most children of the same age can do.

I understand this attestation will be used to establish my patient's clinically eligible for the CMS Managed Care Plan based on the qualifying diagnoses.
