*Measuring Outcomes  
for Preschool Children  
with Disabilities*

**TECHNICAL ASSISTANCE AND TRAINING SYSTEM**  
FOR PROGRAMS SERVING PREKINDERGARTEN CHILDREN WITH DISABILITIES

### **Please Join Us for Florida Child Outcomes Measurement System (FCOMS) Regional Meetings**

The Florida Department of Education (FDOE), Bureau of Exceptional Education and Student Services, in collaboration with the Florida Department of Health, Children's Medical Services, Early Steps, the Technical Assistance and Training System Discretionary Project as well as the Measuring Outcomes for Preschool Children with Disabilities Discretionary Project, will be hosting FCOMS Regional Meetings this fall.

Participants will have the opportunity to review and analyze Child Outcomes data for program planning and system development to meet their districts' own needs. In addition to this, participants will explore tools that support reliable data entry, to include (but not limited to): Mobile Data Solution and Error Reports.

#### **Participants may include:**

Prekindergarten Disability/Child Outcomes contacts

Local Early Steps Child Outcomes contacts

BDI-2 Data Managers and any other staff who are directly responsible for reviewing and analyzing the quality of child outcomes data

**Support for travel will be provided by FDOE. Travel reimbursement forms will be emailed to participants following registration.**
