

# Name the TPA System!

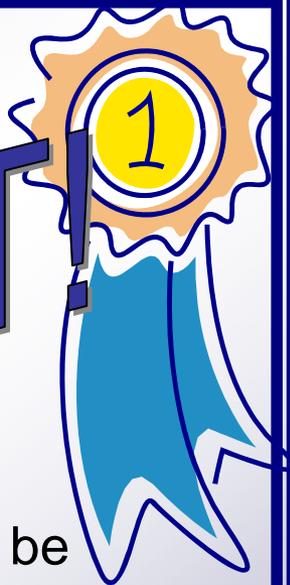

Years from now when our great grandchildren are running the place, we don't want the system to still be called the "TPA". So get together with your co-workers and come up with a title for the new TPA system. Remember its not going to be just a claims payment system; its going to include Care Coordination, Practice Management and Electronic Health Record so join in the contest and come up with a good name! It will appear on all the sign-on screens and documentation.

***All entries must be submitted by October 14, 2011.  
The winner will be announced shortly there after.***

Please submit all your ideas to Aubrey Folsom at [aubrey\\_folsom@doh.state.fl.us](mailto:aubrey_folsom@doh.state.fl.us)

# Name the TPA System!

# CONTEST!

Years from now when our great Grandchildren are running the place, we don't want the system to still be called the "TPA" (Third Party Administrator). So get together with your co-workers and come up with a title for the new TPA system.

Remember its not going to be just a claims payment system; its going to include Care Coordination, Practice Management and Electronic Health Record so join in the contest and come up with a good name! It will appear on all the sign-on screens and documentation.

*All entries must be submitted by  
October 7, 2011.*
