Freedom of Information / eBridge

TO SEE INSPECTION RESULTS

for FL Dept of Health - Hernando County Programs,
follow the instructions below to access eBridge.

eBridge is the system that holds the various inspection reports and documents sorted by program.

Instructions to See Inspection Results

Please follow these steps

1. Visit: https://s2.ebridge-solutions.com/ebridge/3.0/default.aspx
2. Enter the following information:
o   user name: **public**
o   password: **public**
o   file cabinet: **HERNANDODOH**
3. At the upper left corner of the page, click on **RETRIEVE**
4. Enter search criteria by any or all of the parameters listed, click on SEARCH
   - make sure to select desired program from drop-down list
   (Hint; the more search information added, the narrower your search results will be)

5. Click on the view icon 📄 for the record you wish to view.
6. Records are being updated continually. Please call our office if you have any questions about an inspection report.
