DCHD MOSQUITO-BORNE ILLNESS ALERT

- Weekly Update -

Jacksonville, FL -- The Duval County Health Department (DCHD) continues its mosquito-borne illness alert for Duval County. One additional human case of West Nile virus (WNV) has been reported (confirmed or probable) during the current update period. The most recent case involves a 72 year-old female resident. Duval County has 19 reported cases of WNV in 2011. There have been two reported deaths associated with a confirmed case of WNV.
