**important information about  
Medicare Part D clients**

BROUGHT TO YOU  
BY:

# Medicare Part D

## **For Medicare Part D clients:**

**If you have a client who currently has Medicare Part D, they will be serviced by CVS Caremark. A CVS card will be sent to you once it is generated by CVS.**

**If a client is in need of accessing CVS before you receive a permanent card, please call Steven Badura, extension 2552, to have a temporary card sent to you to forward to the client.**
