Florida Practices T.E.A.C.H to Prevent Ebola Exposure

Train
Staff should train in the safe use of protective equipment.

Exposure
No skin should be exposed when wearing protective equipment.

Actively Monitor
Trained staff should actively monitor the donning & doffing of protective equipment on attending staff.

Clean & Disinfect
Clean & disinfect protective equipment during donning and doffing and practice hand washing.

Hand Awareness
Avoid contaminating protective equipment by knowing what your hands are doing at all times.
