

RESPIRATORY SYNCYTIAL VIRUS

FLORIDA DEPARTMENT OF HEALTH

Florida Department of Health - Bureau of Epidemiology
 Respiratory Syncytial Virus Surveillance Program
 Surveillance Data Summary

Recent changes to the Centers for Disease Control and Prevention's National Respiratory and Enteric Virus Surveillance System (NREVSS) has led to a loss of hospitals participating in NREVSS for the North region. Those changes are reflected in the most recently published RSV tables and graphs. The Florida Department of Health is reaching out to hospital laboratories to strengthen Florida's RSV surveillance system.

RSV Surveillance Data by Month North Region August 28, 2011 — September 7, 2013

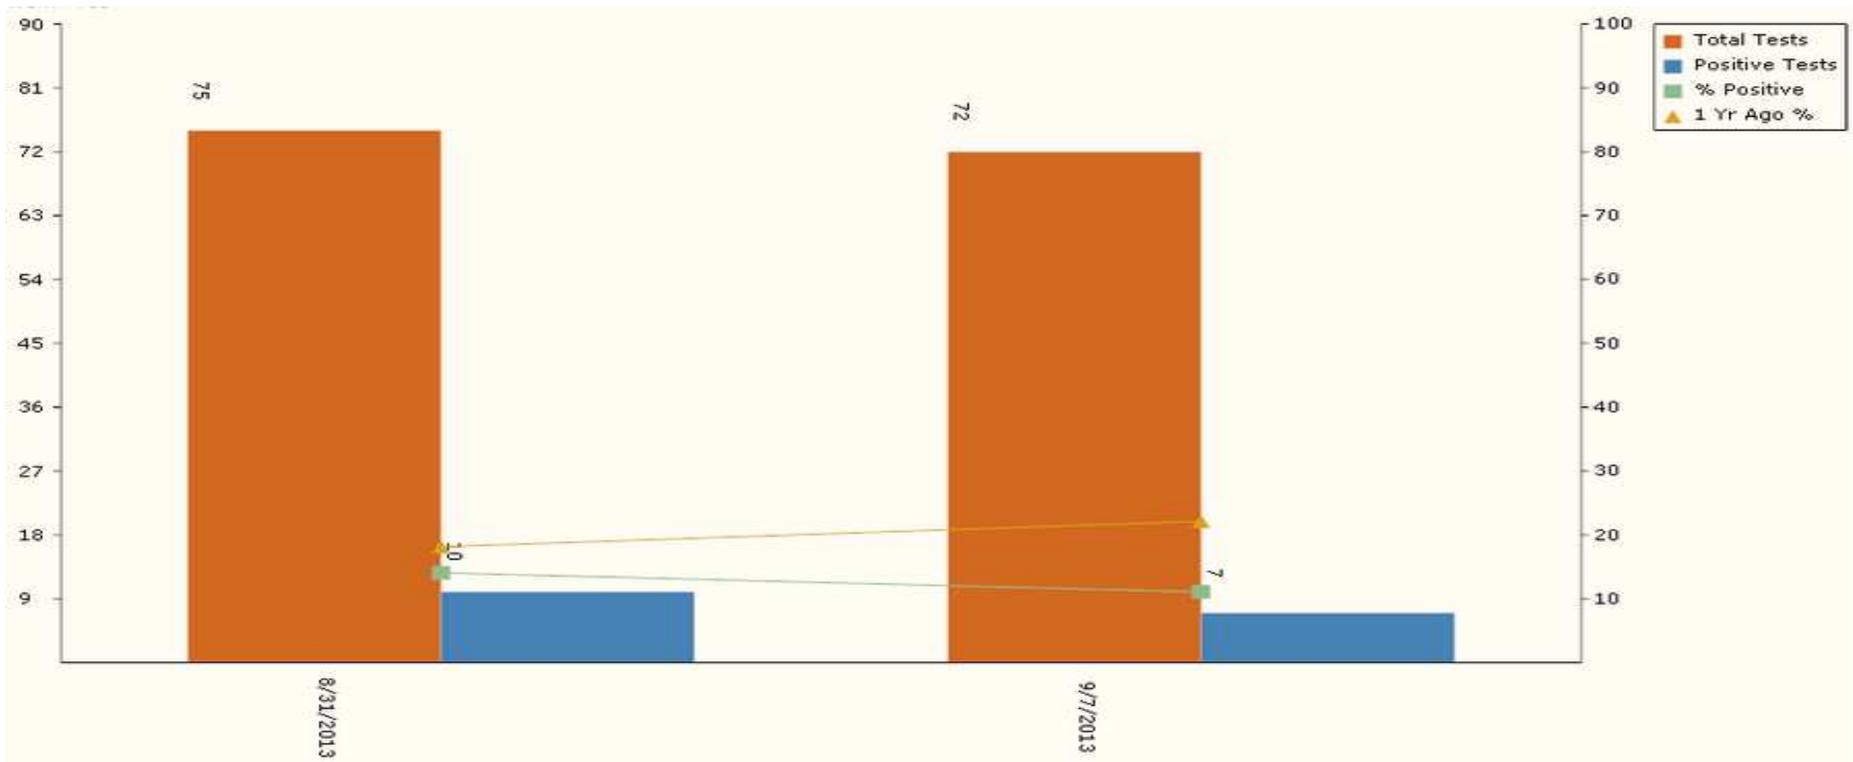

Note: Small numbers of providers reporting may make data unreliable. Numbers may change as more data become available.
