Re: Chapter 381.0065(4)(m), F.S. Compliance for "NT MAX"

Dear Ms. Juul:

This letter is to acknowledge receipt of a request for a change in product ownership from Bio-Systems International to NewTechBio and labeling from "SK3 Septic Powder and L1020/FL Liquid" to "NT MAX" for statewide use in Florida.

The department determined on July 2, 2004 that the product "L1020/FL" and on November 16, 2007 the product "SK3" were in compliance with s. 381.0065(4)(m), Florida Statutes (FS) and 64E-6.0151, Florida Administrative Code (FAC). Based on a review of the MSDS and certification from the manufacturer that the ingredients, formulation, and application rate of the product "NT MAX" (powder and liquid) have not changed, the department has determined product compliance with s. 381.0065(4)(m), FS and 64E-6.0151, FAC. The department has no objection to the use of the products in accordance with manufacturer's specifications. Please be advised that all rules pertaining to the use of the product shall be observed and that there shall be no advertising of the product as state approved.

Be advised that the department is not a testing agency and that this determination reflects only a review of the information submitted by you for compliance with Florida Statutes and Florida Administrative Code. The product evaluation does not investigate the validity of performance claims by manufacturers. For this reason, departmental acceptance must not be interpreted as certifying effectiveness, endorsing or recommending use of an additive. The Florida Department of Health also does not assume liability for any promise, guarantee or expectation from purchasing or using an additive. The department reserves the right to withdraw acceptance if product formulation or ingredients are modified after product evaluation by the department or subsequently found not to be in compliance with rule.

This letter of product compliance is limited to Department of Health jurisdictional circumstances as defined in Chapter 64E-6, Florida Administrative Code and Chapter 381.0065, Florida Statutes.
