Re: Chapter 381.0065(4)(m), F.S.
Compliance for CW-500 Septic Tank Treatment/Drain Lazer/ Septi Kleen

Dear Mr. Hesseling:

This letter is to acknowledge receipt of the information concerning the product "CW-500 Septic Tank Treatment/Drain Lazer/ Septi Kleen" for statewide use in Florida. No product sold in the state for use in onsite sewage treatment and disposal systems may contain any substance in concentrations or amounts that would interfere with or prevent the successful operation of such system, or that would cause discharges from such systems to violate applicable water quality standards, section 381.0065(4)(m), Florida Statutes.

The staff has reviewed the information provided in the MSDS, 96-hr LC₅₀ toxicity test results, and laboratory results on volatile organic compounds for the product. The department has determined that the product, CW-500 Septic Tank Treatment/ Drain Lazer/ Septi Kleen, is in compliance with s. 381.0065(4)(m), F.S. and has no objection to the use of the product in accordance with the new application rate of one ounce per day per 1,000 gallon Septic Tank. Please be advised that all rules pertaining to the use of the product shall be observed and that there shall be no advertising of the product as state approved.

Be advised that the department is not a testing agency and that this determination reflects only a review of the information submitted by you for compliance with Florida Statutes and Florida Administrative Code. The product evaluation does not investigate the validity of performance claims by manufacturers. For this reason, departmental acceptance must not be interpreted as certifying effectiveness, endorsing or recommending use of an additive. The Florida Department of Health also does not assume liability for any promise, guarantee or expectation from purchasing or using an additive. The department reserves the right to withdraw acceptance if product formulation or ingredients are modified after product evaluation by the department or subsequently found not to be in compliance with rule.

This letter of product compliance is limited to Department of Health jurisdictional circumstances as defined in Chapter 64E-6, Florida Administrative Code and Chapter 381.0065, Florida Statutes. If we may be of further assistance or should you have any additional questions regarding this letter, please call Dr. Sonia Cruz at (407) 317-7325.

Sincerely,

Gerald Briggs, Chief

Re: CW-500 Septic Tank Treatment/ Drain Lazer/ Septi Kleen

Dear Mr. Englehardt:

This letter is to acknowledge receipt of a request for a change in manufacturer listing for the products "CW-500 Septic Tank Treatment/ Drain Lazer/ Septi Kleen" on behalf of your client Total Enviro Services, Inc.

The department had determined on February 16, 2006 that the products, CW-500 Septic Tank Treatment/ Drain Lazer/ Septi Kleen, were in compliance with s. 381.0065(4)(m), F.S. and had no objection to the use of the products in accordance with the application rate of one ounce per day per 1,000 gallon septic tank as determined by evaluation based on the ingredients and formulation submitted by the manufacturer "Indian River Naturals".

In order to process a name change, we require that the new manufacturer certify that the ingredients, formulation and application rate of the products have not changed and provide a new label and MSDS with the new manufacturer's name.

The department reserves the right to withdraw acceptance if product formulation or ingredients are modified after product evaluation by the department or subsequently found not to be in compliance with rule.

The product evaluation is limited to Department of Health jurisdictional circumstances as defined in Chapter 64E-6, Florida Administrative Code and Chapter 381.0065, Florida Statutes.

If we may be of further assistance or should you have any additional questions regarding this letter, please call Dr. Sonia Cruz at (407) 317-7325.

Sincerely,

Gerald Briggs, Chief
