

SUMMARY INFORMATION TABLES

1.1 Drinking Water Data

Sets*	Sources	Contacts
PWS Facilities List	Excel Spreadsheet available on DEP website	N/A; publically available
PWS Facility Locations (point data)	DEP GIS sections	DEP GIS contacts by division
PWS Service Area Boundary (polygon data)	DEP GIS sections, DOH EH, Water Management Districts, PWS records	DEP GIS contacts by division, DOH EH contacts, Water Management Districts, PWS contacts
PWS Water Line Locations (line data)	DEP GIS sections, Water Management Districts, local government sections, PWS records	PWS contacts, WMD contacts, local government contacts, DEP GIS contacts by division
PWS Water Meter Locations (point data)	DEP GIS sections, Water Management Districts, local government sections, PWS records	PWS contacts, WMD contacts, local government contacts, DEP GIS contacts by division
PWS Customer Address List (local utility customer list)	CHD, PWS/local utility records, 3 rd Party Billing Companies, local government sections, DBPR, and DOACS	Various and multiple contacts for the sources identified
Private Onsite Well Location Information	Water Management District Records, DOH EH Water Subsection, DEP Florida Geologic Survey, local government sections	Various and multiple contacts for the sources identified
Limited Use Well Location Information	EHD	DOH EH contacts
Limited Use Well Customer List	CHD	CEHDs
Variance Requests	Variance Database	DOH EH contacts
DEP Permit Applications	DEP GIS sections	DEP GIS contacts by division
DOH EH Regulated Facilities (that capture water/wastewater data)	EHD	DOH EH contacts

* Unless specifically noted, data preference is (1) geodatabase (2) shapefile (3) GIS table (4) spreadsheet with parcel ID, lat/long, physical address

1.2 Wastewater Data

Sets*	Sources	Contacts
WWTF List	Excel Spreadsheet available on DEP website	N/A; publically available
WWTF Locations (point data)	DEP GIS sections	DEP GIS contacts by division
WWTF Service Area Boundary (polygon data)	DEP GIS sections, DOH EH, Water Management Districts, WWTF records	DEP GIS contacts by division, DOH EH contacts, Water Management Districts, WWTF contacts
WWTF Sewer Line Locations (line data)	DEP GIS Sections, Water Management Districts, local government sections, WWTF records	WWTF contacts, DEP GIS contacts by division, WMD contacts, local government contacts
WWTF Sewer Lift Station Locations (point data)	DEP GIS sections, local government sections, WWTF records	WWTF contacts, local government contacts, DEP GIS contacts by division
WWTF Customer Address List (local utility customer list)	CHD, WWTF/local utility records, 3 rd Party Billing Companies, local government sections, DBPR, and DOACS	Various and multiple contacts for the sources identified
OSTDS Location Information	EHD, DOH EH OSTDS Subsection, 2009 Statewide Inventory, DEP GIS sections, Water Management District Records (cross reference to EHDB), CHD, local government sections	Various and multiple contacts for the sources identified
Variance Requests	Variance Database	DOH EH contacts
DEP Permit Applications	DEP GIS sections	DEP GIS contacts by division
DOH EH Regulated Facilities (that capture water/wastewater data)	EHD	DOH EH contacts

* Unless specifically noted, data preference is (1) geodatabase (2) shapefile (3) GIS table (4) spreadsheet with parcel ID, lat/long, physical address

Acronyms: PWS (Public Water System); WWTF (Wastewater Treatment Facility); CHD (County Health Department); EH (Environmental Health); EHD (Environmental Health Database); OSTDS (Onsite Sewage Treatment and Disposal System)

1.3 Parcel Data

Sets*	Sources	Contacts
Parcel data by county	DOR GIS section, DOH DDCHP GIS section	DOR GIS contact, DOH DDCHP GIS contact, county property appraisers

* Unless specifically noted, data preference is (1) geodatabase (2) shapefile (3) GIS table (4) spreadsheet with parcel ID, lat/long, physical address

Acronyms: PWS (Public Water System); WWTF (Wastewater Treatment Facility); CHD (County Health Department); EH (Environmental Health); EHD (Environmental Health Database); OSTDS (Onsite Sewage Treatment and Disposal System)
