

Florida Onsite Sewage Nitrogen Reduction Strategies Study

ACCEPTANCE OF SYSTEM OWNERSHIP AND RESPONSIBILITY

FDOH Permit Numbers: [REDACTED]

Location (City/County): Crawfordville, Florida; Wakulla County

Property ID #: [REDACTED]

In November, 2013 a modified experimental onsite wastewater treatment system was installed at [REDACTED] [REDACTED] Crawfordville, Florida 32327 as part of the Florida Department of Health Onsite Sewage Nitrogen Reduction Strategies Study. As outlined in the agreement between Hazen and Sawyer, P.C. and Pat [REDACTED] Hazen and Sawyer has to date been responsible for permitting, construction, modifications, operation, maintenance, monitoring, and inspections of this experimental nitrogen reduction system over an 18 month study period. This study period has now ended. As indicated in the agreement, Hazen and Sawyer is responsible for transferring ownership and responsibility for the experimental system at study termination, or removal of the system if desired by the homeowner. This agreement documents the decision by the homeowner and replaces the previous homeowner agreement.

OWNER: I (We) _____ hereby do agree to the transfer of complete ownership and operational responsibilities for the referenced FDOH permitted experimental system, and agree to accept all conditions and responsibilities of the permit. I hereby release FDOH and Hazen and Sawyer, P.C. from any and all responsibility or liability for the performance or non-performance of this system after the date this acceptance of system agreement is signed by both parties below.

OWNER: I (We) [REDACTED] hereby do not agree to the transfer of complete ownership and operational responsibilities for the referenced FDOH permitted experimental system, and agree that the system has been restored to its original condition.
