IN RE:
Sheldon J. Kaplan, Ph.D.

Petition for Declaratory Statement

FINAL ORDER

On June 8, 2000, Petitioner Sheldon J. Kaplan, Ph.D., filed a Petition for Declaratory Statement, attached hereto as Exhibit A, with the Board of Psychology (Board), under section 120.565, Florida Statutes, and chapter 28-105 of the Florida Administrative Code Rules. The Petition requested an interpretation with respect to section 490.003(4), Florida Statutes, and Florida Administrative Code Rule 64B19-17.001(g) (s) and (t).

This matter came before the Board to be heard at a duly-noticed public meeting on June 30, 2000, in Tampa, Florida. Petitioner was not present at the hearing, but was represented by counsel.

The Board determined that the Petition for the issuance of a declaratory statement should be Denied. The Petition posed a policy issue question of general applicability and lacked sufficient specific information with regard to the Petitioner's proposed delegation of responsibilities to unlicensed observers for the Board to issue a declaratory statement at this time.

WHEREFORE, the Board voted to DENY the Petition for Declaratory Statement.

DONE AND ORDERED this 18 day of July, 2000.

Kaye Howerton, Board Executive Director for the BOARD OF PSYCHOLOGY
