It is your responsibility to request verification of your license/certificate is mailed from the licensing authority to the address at the bottom of the license verification form.

DISCIPLINARY AND CRIMINAL HISTORY

Please read each question carefully. Answer questions with “YES”, “NO” OR “N/A”. Do not leave questions unanswered. A “YES” answer may require you to make a personal appearance before the Dietetics and Nutrition Practice Council. “YES” answers to any question in the Disciplinary and Criminal History section require the following additional documentation:

1. **A written statement explaining in detail the circumstances surrounding the "YES" answer.** The statement must include all pertinent information such as date(s), explanation(s), address(es), employer(s), physician(s), institution(s), agency(ies) and hospital(s). The statement should be attached to your application. Be sure to number the statement to correspond with the question it explains.

2. Supporting documentation must also be submitted to verify the events, including court documents for each offense, providing arrest records, restitution or current circumstances, final disposition, etc. If the records are no longer available, you must have certification of their unavailability from the court.

3. For documents regarding discipline or termination, the issuing agency must send the information as it pertains to the action. If discipline was issued, then the agency should send a copy of the administrative complaint and the final order to this office.

**Section 456.0635(2), Florida Statutes**, requires a different set of criminal history questions. Some of your answers may appear to overlap other questions on this application. Please read each question carefully and completely. Some of the questions will direct you to skip the following question(s), if your answer is “no”. Please follow the instructions. Again, “yes” answers require the documentation mentioned above.

SOCIAL SECURITY NUMBERS

The Department of Health is required and authorized to collect Social Security Numbers relating to applications for professional licensure pursuant to Title 42 USC § 666 (a)(13). For all professions regulated under chapter 456, Florida Statutes, the collection of Social Security Numbers is required by section 456.013 (1)(a), Florida Statutes.

EXAMINATION APPLICANT INFORMATION

OFFICIAL TRANSCRIPTS ARE REQUIRED OF EXAMINATION AND EXAMINATION WITH WAIVER APPLICANTS

Transcripts are required of examination and examination with waiver applicants only. It is preferable that the degree granting institution mail the official transcripts directly to the Council office. Transcripts submitted by the exam applicant must bear the official seal of educational institution and arrive in a sealed envelope of the educational institution.

Foreign-educated applicants must also have a credentials evaluation completed by a credentials evaluation service approved by an accrediting agency approved by the United States Department of Education. The evaluation service should be directed to mail the results of the evaluation directly to the Council office at the address contained in these instructions.

THE REGISTRATION EXAMINATION FOR DIETITIANS

The examination used for licensure in Florida is the Registration Examination for Dietitians administered by the Commission on Dietetic Registration. Once the Dietetics and Nutrition Practice Council has approved your application for examination, the Commission on Dietetic Registration (CDR) will be notified by office staff.

CDR will contact the applicant with available exam dates and study materials. You are responsible for scheduling your examination. You pay exam fees to the CDR CBT testing vendor. To ensure that we receive your scores timely, you should request that your scores be sent to the Florida Dietetic and Nutrition Practice Council. The Council office should receive exam scores within three weeks of the exam date. Once the department receives your passing score from CDR, you should be issued a license number within two weeks. Please allow sufficient time for this office to receive and process your exam score. For detailed information on test administration, study tips and practice exams, go to [www.cdrnet.org](http://www.cdrnet.org).
SPECIAL TESTING ACCOMMODATIONS

Applicants requiring special testing accommodations must apply directly to the Commission on Dietetic Registration (CDR) in accordance with its policies and procedures. You may contact the CDR at www.cdrnet.org or by phone at (312) 899-0040 Ext. 5500, toll free: 1-800-877-1600.

ENDORSEMENT APPLICANT INFORMATION

VERIFICATION OF REGISTERED DIETITIAN STATUS (If registered dietitian w/CDR)

The Council office now has the ability to verify your registered dietitian status with CDR online. In the event verification is not obtainable online, you must request verification from CDR of current registration status be sent directly to the Council office. It would be helpful to ensure that you keep your address current with CDR.

LAWS AND RULES OF STATE LICENSE (Required of applicants for endorsement of another state’s license.)

Request the other state send a complete copy of the laws and rules by which you were licensed or certified as a dietitian or nutritionist.

TEMPORARY PERMITS

Temporary permits allow an applicant to work under the supervision of a licensed dietitian/nutritionist for up to one year until the Council can complete review of their application and/or successful completion of the exam. Temporary permits are available to any applicant who has completed an application and the Executive Director has preliminarily determined that he or she appears to be eligible for licensure based on the documentation presented. Refer to rule 64B8-42.003, F.A.C., for more information.

Temporary permits are issued only one time for a limited time. The permits usually are not advantageous for applicants applying for licensure by endorsement of status as a registered dietitian, as this application method is relatively speedy.

The temporary permit form and required fees must be submitted as part of a completed application to be considered. The form must contain all requested information, which includes original signatures.

COMPLETED APPLICATION FORM

All application questions must be answered as indicated. Failure to answer questions will delay the licensure and/or exam process.

Feel free to continue an answer to a question or provide clarification using an additional sheet of paper. Make a note on the application question that additional information is attached. It should be numbered to correspond with the number of the application question it completes.

However, if the applicant fails to appear before the board at either of the next two regularly scheduled board meetings, or fails to appear before the department within 30 days if there is no board, the application for licensure shall be denied.”

An incomplete application shall expire one (1) year after initial filing. Applicants whose files are closed must submit a new application and fees to be considered for licensure.
