

Measure Development Process

Call for Concept Period Now Open: F.A.I.R. Measurement Project

~~Dear _____ August 20, 2020~~

DEADLINE EXTENDED TO AUGUST 30

I am excited to announce the Call for Measures for The FAIR Project went out Monday! Please pass this along to all interested EMS Stakeholders (which includes you). This input is vital to the completion of this important project. You can follow this link to read the full press release by NEMSQA. <http://www.nemsqa.org/measure-development-process/>

It is vital we get the word out the entire EMS Community. Please feel free to post on your Facebook, LinkedIn or any other social media account you have.
