Risk Management or Medical Ethics

Five (5) credit hours in the subject area of risk management or medical ethics may be obtained by attending one full day (Friday or Saturday) or eight (8) hours, whichever is more, of disciplinary hearings at a regular meeting of the Board of Medicine in compliance with the following:

- The licensee must sign in with the Executive Director of the Board before the meeting day begins.
- The licensee must remain in continuous attendance.
- The licensee must sign out with the Executive Director of the Board at the end of the meeting day or at such other earlier time as affirmatively authorized by the Board. A licensee may receive CME credit in risk management or medical ethics for attending the disciplinary portion of a Board meeting only if he or she is attending on that date solely for that purpose; he or she may not receive such credit if appearing at the Board meeting for another purpose.
