*Disclosure:

Both speakers have provided full disclosure information. Neither planners nor speakers have relevant financial relationships with any commercial interest that produces health care goods or services related to the **content of their educational presentations.**

This refresher course for Florida-licensed physicians highlights legal and ethical requirements for Florida practitioners, and provides tips to manage stress and avoid burnout in today's fast-paced world. The content related to legal and ethical requirements is Florida-specific. The Florida Board of Medicine and the Florida Board of Osteopathic Medicine periodically require certain licensees to complete this CME course.

For online registration click [here](#) or go to the FMA web site: www.flmedical.org, rest your cursor on Education and from the drop down menu choose Legal & Ethics course.

FMA Member = \$500 Reg. Fee

Non-Member = \$750 Reg. Fee
