After successfully completing the training and passing the written test, the participant must complete a hands-on skill evaluation with a currently certified Skill Evaluator/Instructor from ProTrainings LLC.

When the participant successfully passes the skill evaluation, the Skill Evaluator/Instructor signs or has his or her digital signature printed on the back of the card on the skill evaluator line. The Skill Evaluator/Instructor faxes the participant's skill evaluation checklist to ProTrainings LLC. After successful completion the participant is issued a certification valid for 2 years.
