

BOARD OF PODIATRIC MEDICINE
2015-2016 Annual Regulatory Plan

1. There are no laws enacted or amended during the previous 12 months which create or modify the duties or authority of the Board.
2. Following are the laws not otherwise listed in paragraph (1) which the Board expects to implement by rulemaking before July 1, 2016:
 - A. S. 456.017(1)(c), FS through Rule 64B18-11.002, FAC, to evaluate whether or not the reference to the PMIlexis Examination is current. This rulemaking would be intended to clarify the rule.
 - B. S. 456.077, FS through Rule 64B18-14.010(3)(a)4, FAC, to match an earlier change made to Rule 64B18-17.005, FAC, made in 2014. This rulemaking would be intended to clarify the rule.

Pursuant to Section 120.74(1)(d), Florida Statutes, I hereby certify that I have reviewed this Annual Regulatory Plan and that the Board regularly reviews all of its rules to determine if the rules remain consistent with the Board's rulemaking authority and the laws being implemented, with the most recent review having been completed June 30, 2015.

Chair, Board of Podiatric Medicine
