**ENDORSEMENT APPLICANTS**

**APPLICATION INFORMATION & CHECKLISTS**

**Endorsement of 20 Years Of Licensed Psychologist Experience:**
To apply for this method of licensure, the statute requires the applicant possess a doctoral degree in psychology as defined in Section 490.003, F.S., and have at least 20 years of experience as a licensed psychologist in any jurisdiction or territory of the United States within 25 years preceding the date of application. This method requires a doctoral degree in psychology from an APA accredited program.

**Endorsement of ABPP Diplomate Status:**
Requires the applicant possess a current diplomate or specialty certification in good standing with the American Board of Professional Psychology, Inc., at the time the application is submitted to Florida. Information regarding requirements to obtain this credential is available on the organization’s website at www.abpp.org.

**Endorsement of Other State License:**
Requires the applicant hold an active license or certificate as a school psychologist in the state to be endorsed. This method requires the Department to conduct a strict law-to-law comparison of the school psychology licensure/certification requirements in effect at the time you were licensed in the other state in contrast to the requirements in effect in Florida at that same time. If no Florida law existed when you were licensed in the other state, the comparison would be with the current laws in effect in this state at the time of the submission of your application. Specifically, the Department reviews the education, experience and examination requirements to determine a minimum of substantial equivalency.

**Important Notes regarding this Application Method**
- The Department cannot consider applicants’ personal education and experience backgrounds under this method.
- The Department’s law-to-law comparison requires each component of the other state’s licensure criteria (education, experience and examination) be at least substantially equivalent to Florida’s requirements.
- The Endorsement of Other State License is typically a lengthier application process. Applicants from other states, who meet the education, experience and examination requirements for licensure, are encouraged to apply by the more streamlined Examination application method or the 20 year endorsement method, if qualified.

***APPLICATION CHECKLIST***

- **APPLICATION FORM AND FEES**
  The application must be fully completed by every applicant. The fee is $355 payable in the form of a money order or cashier’s check payable to the DOH/Office of School Psychology.

- **LICENSE/CERTIFICATE VERIFICATION FORM**
  Verifications are required for each school psychology or other health-related licenses or certificates currently or ever held. If available online, verifications will be retrieved through the applicable state licensing entity’s website, upon receipt of your licensure application in the School Psychology office. If unavailable online, or, if the online verification lacks sufficient detail, you will be responsible for requesting that the verifications be sent to the School Psychology office directly from the applicable state licensing authorities. *Note: Please see below for 20 Year Endorsement verification requirements.*
