**RADIOACTIVE MATERIALS PROGRAM**  
**Bureau of Radiation Control**  
**Information Notice 98-06**

***Requirements for Advance Notification for the Shipment of Low Level Radioactive Waste***

This information notice is applicable to state of Florida radioactive materials licensees who generate or transport Low Level Radioactive Waste.

The purpose of this information notice is to raise the awareness concerning the 48 hour advance notification requirement to the Department of Health, Bureau of Radiation Control for the shipment of Low Level Radioactive Waste.

Section 64E-5.1508, Florida Administrative Code (F.A.C.), requires all persons licensed by the department, as well as nuclear power plants licensed by the U.S. Nuclear Regulatory Commission, and who desire to ship radioactive waste to a low-level radioactive waste treatment, storage or disposal facility, shall notify the **department no less than 48 hours prior to departure of the shipment**. The notification shall be made in writing or by telephone to:

U.S. Mail Address	Delivery Address (Physical Location)
Department of Health Bureau of Radiation Control P.O. Box 680069 Orlando, FL 32868-0069 (407) 297-2095 fax (407) 297-2085	Department of Health Bureau of Radiation Control 2044 All Children's Way Orlando, FL 32818 (407) 297-2095 fax (407) 297-2085

It is expected that you review this information for applicability to your facility and consider appropriate actions. No specific actions nor written response is required.
