The Afterschool Meals Program provides reimbursement for nutritious meals and snacks served at eligible after school program sites. This program is funded by the U.S. Department of Agriculture and is administered in Florida by the Department of Health, Bureau of Child Care Food Programs.

**Eligibility Requirements**
- Programs must be operated by a public or private nonprofit organization or certain for-profit organizations.
- Program sites must be located in an area served by a school in which at least 50% of the enrolled children are eligible for free or reduced-price meals.
- The program must provide after school care with regularly scheduled educational or enrichment activities that are structured and supervised.
- A license or proof of licensure exemption is required.
- Sites where programs are offered must meet state and local health and safety standards.

**Funding**
The Afterschool Meals Program will reimburse for up to one snack and one meal per child, per day.

- Reimbursement is available for snacks and meals served to children through age 18 and certain children over age 18.
- Meals and snacks may be reimbursed if they are served after school on school days, and on weekends and holidays during the school year.
- Current reimbursement for FY 18-19 is $1.79 for breakfast, $3.55 for lunch and/or supper (includes cash-in lieu rate), and $.91 for snack.

**Record Keeping Requirements**
Programs must keep attendance records, daily meal counts, menus and expenditure records to qualify for reimbursement.

**Nutrition Requirements**
Meals and snacks served to children must meet specific U.S. Department of Agriculture meal pattern requirements.

To qualify for reimbursement, meals and snacks must include, at a minimum, food components in amounts specified by age.

Supper meals must contain the following components:
- Fluid milk
- Fruit
- Vegetable
- Grain
- Meat/meat alternates

Snacks must contain a minimum of 2 of the above components.

A sample menu is provided on the reverse side.
