

Child Care Food Program New Meal Patterns Training Certification

Instructions:

After completing appropriate online module(s), insert your initials below next to the training module(s) completed, and complete the signature box at bottom of page.

The child module is required for all contractors. The infant module is required for contractors that serve or plan to serve infants.

The following child care staff must complete the appropriate modules: CCFP program manager, center director, and staff that purchase, prepare, and serve meals to infants and children.

All CCFP Program Managers must send a copy of this form to assigned Program Specialist
From the [CCFP homepage](#), scroll down to 'Complete Staff List' to find the phone number, mailing address, and fax number of all program specialists. Email address is firstname.lastname@flhealth.gov.

New Meal Pattern Training: (initial next to the training you completed)

_____ Child Meal Pattern (required)

_____ Infant Meal Pattern (required if serving or planning to serve infants)

By signing below, I certify that I have completed the online training modules indicated above. I certify that all applicable child care staff (including center director) have also completed the online modules noted above.
