Welcome to the Children’s Medical Services Managed Care Plan

Thank you for choosing the Children’s Medical Services Managed Care Plan (CMS Plan) Specialty Plan for your health care needs. We are happy to have you as a member and look forward to serving you. This Directory contains a list of quality health care providers that are participating in the CMS Plan in your area, including primary care physicians, hospitals, pharmacies and other health care professionals.

If you would like to know your provider’s hospital affiliation(s), please call their office to get the most up-to-date information. CMS Plan, together with the two Integrated Care Systems (ICS): Ped-i-Care and Community Care Plan (CCP) is continually expanding our network of health care providers to improve access to quality health care services for our members. Since our providers may change over time, you may get the most recent listing of Florida CMS Plan providers by calling the toll-free Customer Service Center of Ped-I-Care at 1-866-376-2456 and the TTY phone number of 1-800-955-8771, if you reside in one of the counties colored in green in the map below, or the toll-free Customer Service Center of CCP at 1-866-209-5022 and TTY phone number of 1-855-655-5303 if you reside in one of the counties colored in yellow.
