# Welcome to the Children’s Medical Services Managed Care Plan

Thank you for choosing the Children’s Medical Services Managed Care Plan (CMS Plan) Specialty Plan for your health care needs. We are happy to have you as a member and look forward to serving you. This Directory contains a list of quality health care providers that are participating in the CMS Plan in your area, including primary care physicians, hospitals, pharmacies and other health care professionals.

If you would like to know your provider’s hospital affiliation(s), please call their office to get the most up-to-date information. CMS Plan, together with the two Integrated Care Systems (ICS): Ped-i-Care and South Florida Community Care Network (SFCCN,) is continually expanding our network of health care providers to improve access to quality health care services for our members.
