

64C-2.002 Clinical Eligibility for the CMS Managed Care Plan.

(1) A child's clinical eligibility for the CMS Managed Care Plan may be established by an authorized representative of the Department through completion of the CMS Clinical Eligibility Screening Form, DH8000-CMS (12/2015), incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-06270>.

(2) Children with a diagnosis of one or more of the health conditions listed on the CMS Clinical Eligibility Attestation, as attested to by a physician, as defined in Chapter 458 or 459, Florida Statutes, are clinically eligible for enrollment in the CMS Managed Care Plan. The CMS Clinical Eligibility Attestation, Form DH8001-CMS (12/2015) is incorporated by reference and available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-06271>.

(3) Children with a diagnosis of one or more health conditions not listed on the CMS Clinical Eligibility Attestation, may request a review by a panel of medical professionals assigned by the CMS Managed Care Plan, to determine the child's clinical eligibility. The Medical Review Panel will complete the CMS Medical Panel Review For Clinical Eligibility Determination Form DHXXX-CMS (XX/2016) and is incorporated by reference and available at <http://XXXX>
