

Are You Ready?

The Neighborhood Emergency Preparedness Program can minimize the impact of disasters

Are you ready for a storm event such as a hurricane, tornado, or flooding?

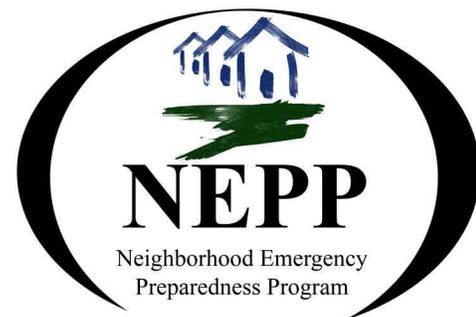

NEPP can help with pre-event planning and providing disaster related supplies!

Do you know what to do to protect yourself during a disease outbreak?

NEPP incorporates the Home Care Series Train-the-Trainer to promote “sheltering in place” and taking care of yourself during a disaster!

Are you prepared for a hazardous material incident?

NEPP focuses on preparedness and may include developing evacuation plans and sheltering in place to maximize protection during an incident!

Florida Department of Health
