

## Volusia CHD - First "Puppets for Preparedness" Workshop – June 11, 2011

On June 12, 2011 members of the Volusia County Medical Reserve Corps participated in their first "Puppets for Preparedness" workshop. Guided by department priorities and the Florida Department of Education Sunshine State Standards, they developed a series of presentations aimed at teaching hand washing, pool safety, and germ avoidance in a fun, interactive and memorable way. A special "Thank you" goes to Robert Magliavez and Susie Grubbs from Volusia County Health Department, Environmental Health for their origination of this production, and Susan Mackenzie for sharing. For more information contact the Operations & Management Consultant Manager at the Volusia County Health Department. (386) 274-0845.
