Old Business

- FDOH Update
 - Quarterly deliverables due end of this month up to October 15th.
 - If you’re having SharePoint problems, please let Valerie know. An invitation was sent out, please click on it to resolve any issues.
 - If you have any updated contact information or additional staff members, please send to Valerie
 - BP1/2 CAT Tool is due September 30th. On October 1st it will be locked.
 - Valarie will follow up with Region 2, 4, & 5 on if there is a due date for COVID AAR (if submitted as a 2nd quarter deliverable). AAR Template developed by Region 3 attached.
- FHA ASPR Cooperative Agreement Update
 - Out of the 10 coalitions that we are working with to secure sub recipient agreements, there are 4 remaining to process their agreements. If you’re having challenges with DocuSign or have any questions, please reach out to John to assist you through the process.
 - Checks will be issued next week.
 - ASPR has shared the final draft of the performance measures. Had a call last Thursday to walk through any changes or comments. Twenty-six measures, most of them are end of year measures and some mid.

New Business

- Pediatric Annex Completion and TTX?
 - Annex is still due the end of the year, currently the final draft is in the review process.
 - Deadlines are still in flux and a possibility the requirement may be extended for TTX. Should be receiving updates on HPP reporting requirements by the end of the week.
 - Valarie will follow up if there's a separate allocation for or plans the at FDOH will plan and implement the Pedi TTX.
- POD; COVID Vaccine – Coalition involvement / support
 - No information as of yet. If you have any questions or concerns, please email Valerie.
 - Encouraged to work with local DOH to support local POD agreements
