

## Important Information

### TRAINING OPPORTUNITY:

#### **Perspectives on Vaccine Hesitancy Webinar**

The Department of Health Immunization Section would like to share information regarding an upcoming educational opportunity. The national Area Health Education Center (AHEC) is hosting a webinar, *Perspectives on Vaccine Hesitancy*. The webinar is scheduled for **Wednesday, January 10, 2018 from 3 p.m.–4 p.m. EST.**

#### **Target Audience**

This activity has been designed to meet the educational needs of health professionals who provide and/or promote immunizations including physicians, physician assistants and registered nurses.

#### **Educational Objectives**

Discussion topics will include the power of real-life narrative, the wealth of (mis)information, celebrity-ism, and confusion. Risk-benefit communication will be explored and thoughts will be offered on how to better deal with this threat to public health.

The speaker for this event is Gary S. Marshall, MD, Professor of Pediatrics, Chief, Division of Pediatric Infectious Diseases, University of Louisville School of Medicine.
