To create a new hotline call record:

From the **Hotline Module Screen**, select the **Month** for which you want to enter Hotline calls from the dropdown box and enter the **Year** in the free form text box below.

Enter the Number of **Primary** Sexual Violence Calls, Number of **Secondary** Sexual Violence Calls, and Number of **All Other** Sexual Violence Calls.

Enter the monthly Hotline Success Story. **NOTE:** Do not include names, confidential, or identifying information.

Click **"Save"**.

After saving the monthly numbers, the SVDR totals the calls and displays the information in a mini report.

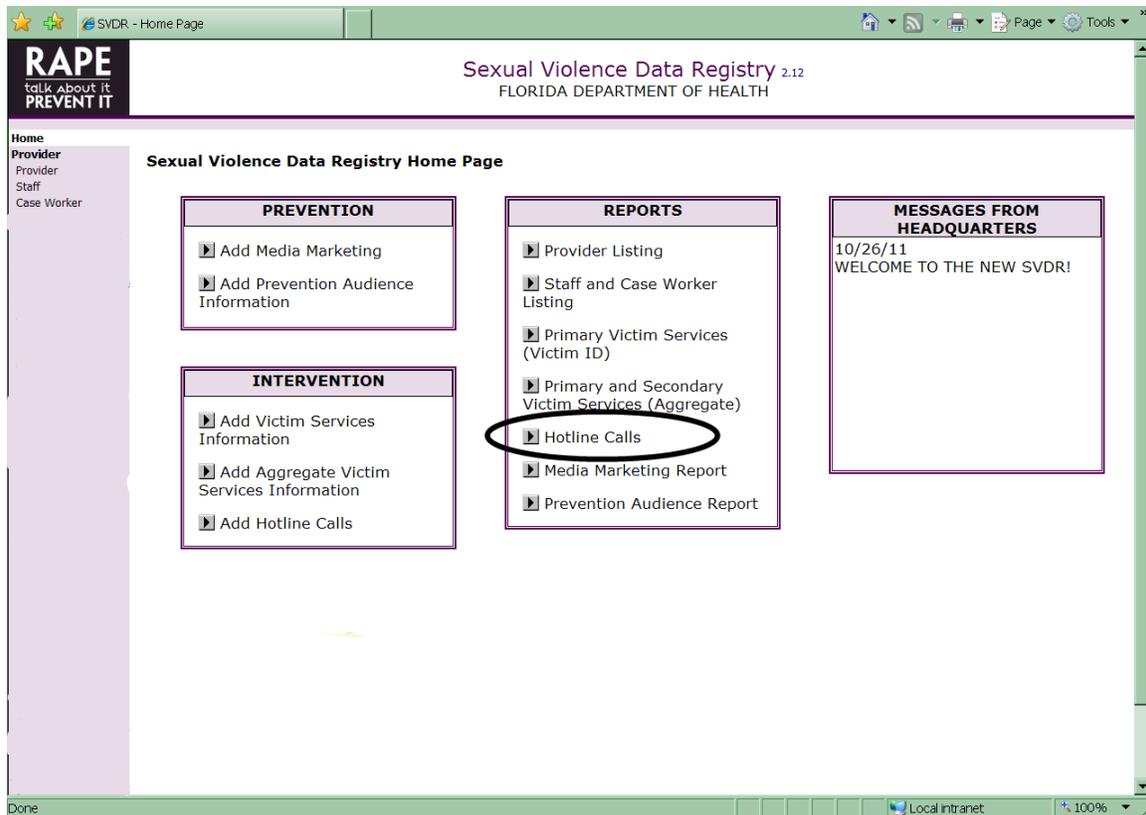

Other possible actions from the mini-report:

Revise existing data displayed in the mini-report by clicking **"Select"**, or Delete a monthly hotline record by clicking on the red **"X"**.

Other possible actions on this page:

Click **"Clear"** at any time prior to saving to clear the current data entry.

Or click **"Edit"** to make changes to the existing record after you have saved.

Hotline Report:
From the Home Page, click on **“Hotline Calls”** from the Reports Menu.
