Call the toll-free number or visit the website:
- If you lose your WIC EBT card
- If you forget your 4-digit secret PIN
- If you do not know what foods are available on your WIC EBT card
- If your card won’t work
- If you have other questions

Florida Department of Health
WIC Program

- Cashiers must honor all store or manufacturer promotions such as buy one, get one free; buy one, get one at a reduced price; manufacturer cents-off coupons; and store savings card or customer reward card presented by the WIC customer. If a cents-off coupon makes a product the least expensive brand, the WIC customer may choose that brand.
- WIC customers may never receive cash refunds, gift cards, change, rain checks, or IOUs in exchange for a WIC EBT card or food/formula obtained with a WIC EBT card. WIC customers are not to exchange foods obtained with a WIC EBT card, except for exchanges of an identical item when the original item is defective, spoiled, or outdated. Baby formula purchased with a WIC EBT card may not be exchanged for another brand or type of formula. Formula can only be exchanged for a different brand or type at the WIC office. WIC customers can be taken off of the WIC program for selling WIC foods or trying to get a cash refund for WIC foods. This includes selling on eBay, Craigslist, other websites or in person.

**Smart Shopping with your WIC EBT Card**

**EBT** stands for **Electronic Benefits Transfer**. EBT is a simple, secure, and convenient way to buy your WIC foods. All of the foods for your family will be together on one card. There will be a begin date and end date to buy your family’s food each month. You can choose how little or how much you want to buy each time you go grocery shopping with your WIC EBT card. Make sure you buy all of the foods on your shopping list within the allowed dates. Benefits will be in your food account at 12:00 midnight on the beginning date and will expire at 12:00 midnight on the ending date.

**In the WIC Office**

You will receive your WIC EBT card. To use your new EBT card, you will need to have a 4-digit secret code called a PIN which stands for Personal Identification Number. WIC staff will give you information about how to set up your PIN. When choosing a PIN, choose 4 numbers that are easy for you to remember, but hard for someone else to figure out. Don’t use the same number, like 1111, or a sequence of numbers, like 1234, for your PIN. Keep your PIN a secret.

You will receive a Florida WIC EBT Shopping List. The shopping list shows all of your family’s WIC foods for each month.

**You will receive a list of stores where you can use your WIC EBT card.**

**In the Check-Out Line**

- Give the cashier any coupons.
- Some stores may tell you to separate your WIC foods from other foods.
- Then the cashier will tell you when to swipe your EBT card and when to enter your PIN. Note: Once you swipe your card and select “yes,” the transaction cannot be canceled or voided.
- The cashier will then give you a receipt.
- The receipt will tell you what foods you bought with your WIC EBT card and what foods you have left on your card.

**Returning to the WIC Office**

- Keep your WIC EBT card and bring it with you each time you come to the WIC office.
- You will get your WIC foods for each month put on the same card.

**Take Care of your WIC EBT Card**

- DO NOT write your PIN on your card.
- DO NOT keep your PIN in your purse or wallet.
- DO NOT give your PIN to anyone that you do not want to use your card.
- DO NOT bend your card.
- DO NOT place your card in direct sunlight, such as on a car’s dashboard.
- Keep your card safe and clean.
- Keep your card away from items such as magnets, cell phones, TVs, and microwaves.

**What should I do if my card is lost or stolen?**

Call Customer Service at 1.866.629.1095. Then you will need to contact your local WIC office about getting a replacement card. If you lose your card, the card will no longer be able to be used even if you find it later.

**What if I enter the wrong PIN?**

If the correct PIN is not entered by the third try, your PIN will be locked to prevent someone from guessing your PIN and getting your food benefits. Your account will unlock after midnight. After that you will get one more try to enter your PIN correctly. If locked out again, call 1.866.629.1095.

**What should I do if someone finds out my PIN?**

If someone has your PIN who should not have it, immediately call Customer Service at 1.866.629.1095 and change your PIN.

**How will I know my food account balance?**

The receipt from every purchase shows the balance, so the easiest way to know your account balance is to **keep your receipt**. If you don’t have your last receipt, get your balance from Customer Service at 1.866.629.1095 or go to the WIC EBT website at www.FloridaWIC.org or from a WIC EBT Point-of-Sale (POS) machine. You should always check the amount of approved foods remaining before you shop.
