

## Drink More Water Table Top Display

- Print the Drink More Water display.
- Laminate the display and use spray adhesive to put on foam board.
- Tape an easel to the back side of the display.
- Purchase 4 2" x 3" jewelry bags.
- Fill the bags with **sugar** or **salt** (two with 6 teaspoons, one with 10 teaspoons and one empty) and tape (we used double sided tape) to the displays.
- NOTE: You can also use bags of sugar to represent the teaspoons.
