FY 2015-2016 Funding Opportunity Announcement (FOA) Ed and Ethel Moore Alzheimer's Disease Research Program

1. Should we pre-vet proposals before allowing the Letter of Intent's to go forward so that you have the true number that will be submitted, or should we allow any and all people who are considering to file a LOI, which could be as many as 25 people?
Organizations are not limited to the number of Letter of Intent's that can be submitted, but Department encourages organizations to submit Letter of Intent's for proposals that are likely to be submitted.
