VII. Procedures

A. Volunteer Recruitment and Placement

1. **Needs Assessment:** The local volunteer coordinator will assist each entity or facility in assessing its need for goods and services and help determine the feasibility of meeting the needs through volunteer resources.

2. **Position Description:** The local volunteer coordinator will develop a volunteer position description in accordance with the DOH entity or facility prior to the volunteer’s start date.

3. **Recruitment:** The local volunteer coordinator has the overall responsibility for recruiting volunteers for their DOH entity or facility.

4. **Application:** The local volunteer coordinator shall accept, review and process all submitted Volunteer Enrollment Applications (see Appendix C). The license status of all health care providers shall be verified prior to assigning the volunteer to a direct care position.

5. **Interview:** The local volunteer coordinator will interview each individual applicant to determine the appropriate placement and duties of the volunteer.

6. **Determination of Eligibility:** The local volunteer coordinator and volunteer supervisor for that position must consider the protection and welfare of the individuals served by the Department when determining eligibility for a volunteer applicant. It is the responsibility of the volunteer supervisor, with input from the local volunteer coordinator, to determine whether an applicant is eligible for a specific position or activity.

7. **Screening:** Depending on the position duties and DOH’s Background Screening Policy, the volunteer’s supervisor will determine the level of screening required for the position being filled by a volunteer. The local volunteer coordinator will ensure that appropriate screening is completed.

a. All individual applicants, regardless of placement, must provide at least two personal references. These personal references should be interviewed by the volunteer’s supervisor with responses documented in writing on the Volunteer Personal Reference Questionnaire (see Appendix E). These responses shall be maintained in the volunteer’s personnel file.
b. The local volunteer coordinator will verify the status of a volunteer health care professional's license, certificate, permit, or registration by searching the DOH website and other relevant records for any disciplinary actions that may affect license status. If it is determined there are issues with a provider's license, certificate, permit, or registration, the director/administrator of the DOH entity shall determine the eligibility of the potential volunteer.

8. **Orientation**: The local volunteer coordinator will arrange for an orientation for each volunteer. Upon completion of orientation, the local volunteer coordinator will document the completion date on the volunteer's enrollment application. The orientation must include at a minimum the following information:

   a. Acquainting the volunteer with the Department’s mission, information security policies, general service areas, and the volunteer's roles and responsibilities.

   b. Volunteer benefits under Section 110.504, Florida Statutes

9. **Identification Badges**: If required by the DOH entity, the local volunteer coordinator will ensure that volunteers are issued a volunteer identification badge at the time of placement. The badge must specifically identify the individual as a volunteer. Preprinted volunteer identification badges should be a part of the local volunteer coordinator’s emergency response plan.

10. **Placement**: The volunteer will be placed in a position after all required orientation, documentation and training has been completed.

B. **Managing Volunteers**

1. **Tracking System**: The local volunteer coordinator has the responsibility to track volunteers using a system that includes the following information: location where the volunteer is assigned; date activated; date deactivated; skill set; contact information; and any other information that will assist with locating the volunteer. Diligent documentation of skill set, licenses, certifications, and assignment details are necessary to ensure volunteers are covered for liability and reimbursement purposes.

2. **Training**: Volunteers and paid staff performing similar tasks will be given the same training opportunity. If required, after placement of a volunteer, the supervisor shall provide training that enables the volunteer to perform the duties specified in the position description.

3. **Code of Ethics**: The same standards of conduct that apply to paid employees shall also apply to a volunteer. The volunteer will receive a
copy of the Code of Ethics (DOHP 30-2-13) or be given access to the document on the Department’s intranet.

4. **Time Sheets:** Volunteer hours must be accurately documented and maintained as a permanent record. The Volunteer Time Sheet (see Appendix F), or equivalent may be used to document the volunteer’s hours of service. The supervisor should forward each volunteer’s time sheet(s) to the local volunteer coordinator quarterly.

5. **Reassignment:** At the request of the volunteer or the volunteer’s supervisor, or if the assigned tasks have been completed or the position no longer needs to be filled, a volunteer may be assigned to another position or have their status changed to “inactive.” The local volunteer coordinator will assist with the reassignment.

6. **Reactivation:** If a volunteer wishes to return after being inactive, and the volunteer was not terminated due to inappropriate behavior or unsatisfactory performance, a supervisor or local volunteer coordinator may reactivate the previously placed volunteer.

7. **Termination:** If termination occurs, the supervisor shall notify the local volunteer coordinator and complete the Volunteer Notice of Termination. If a volunteer is terminated from one position, the volunteer may still be eligible to fill another position in the Department. Approval to continue participation is at the discretion of the director/administrator of the DOH entity. Examples for termination include:

   1. The assigned activities are completed.
   2. A volunteer’s performance is unsatisfactory and the supervisor concludes that consultation or additional training will not result in improved performance.
   3. A volunteer has become unreliable.
   4. A volunteer violated a DOH rule, regulation, policy, or other applicable state or federal law.
   5. A volunteer requests termination.

C. **Recognizing Volunteers**

1. **Publicity:** The local volunteer coordinator is responsible for ensuring the recognition of volunteers. Each DOH entity should recognize its volunteers at least on an annual basis. Publicity of volunteer accomplishments may be in DOH or commercial media. Communications with commercial media must be in accordance with the DOHP 85-01-13.
2. **Activities:** Activities for volunteer recognition may include awards programs, luncheons, banquets, or other types of recognition events. Funding for volunteer recognition events is not an authorized expenditure for DOH entities. Funding for these activities can come from outside sources.

3. **Awards:** Section 110.503(5), Florida Statutes, provides for awards to volunteers. The section authorizes the expenditure of up to $100 for suitable framed certificates, plaques, or other tokens of recognition to honor, reward, or encourage volunteers for their service. Funding for awards will be the responsibility of the sponsoring DOH entity.

D. **Donations**

1. **Responsibility:** Employees who are designated by a DOH entity to process donations are responsible for accepting, recording, and accounting for all donations. Donations must be managed in accordance with the IOP 56-74-15.

2. **Procurement:** The designated employee is authorized to procure donations from the general public on behalf of DOH clients and volunteers.

3. **Value:** The value of any donation is established by the donor. In cases where the donor does not assess the value, the designated staff shall determine the value.

4. **Documentation:** The designated employee is responsible for documenting all donations. Donors must be provided a Volunteer Donor Receipt (see Appendix H) and the donation, whether services or tangible goods or money, shall be documented on the Volunteer Donation Log (see Appendix I).

5. **Utilization:** The disbursement of donations will be handled in a manner consistent with the needs of individuals and communities served by the Department. All disbursements/dispositions shall be documented on the Volunteer Donation Log and records retained for three years. When donated items are not used locally, the items may be redistributed to the following entities:

   a. Other DOH sites within the area

   b. Community nonprofit organizations assisting individuals served by DOH entities

E. **Records and Forms:** The local volunteer coordinator shall collect and maintain a file on each volunteer. This file will be maintained by the DOH entity for three years after the termination of the volunteer’s participation.
1. **Regular Service Volunteer:** A file for an individual performing as a regular service volunteer shall contain at a minimum:

   a. Volunteer Enrollment Application (see Appendix C).

   b. Volunteer Position Description (see Appendix B).

   c. Two Volunteer Personal Reference Questionnaires (see Appendix E).

   d. Background screening documentation, as applicable, in accordance with DOHP 60-5-15.

   e. Volunteer Time Sheet (see Appendix F) or an equivalent form.

   f. Teen Volunteer Parental Consent (see Appendix L), if the volunteer is a teen.

   g. Any additional documentation requirements for the volunteer’s position.

2. **Occasional Service Volunteer:** Files for an occasional service volunteer shall contain at a minimum.

   a. Volunteer Enrollment Application (see Appendix C).

   b. Volunteer Position Description (see Appendix B).

   c. Volunteer Time Sheet (see Appendix F) or an equivalent form.

   d. Volunteer Participation Roster (see Appendix D) which is used for one-time events: If a DOH entity uses multiple volunteers for a one-time event of short duration, such as health fairs, immunization clinics, or health screenings, the Volunteer Participation Roster may be used in lieu of the Individual Volunteer Enrollment Application. The DOH employee or volunteer supervising the event will complete the form. If a volunteer is designated as the supervisor of an event, that volunteer must complete the documentation required for a regular service volunteer.

   e. Other forms and information may be included in the volunteer’s personnel file according to a specific need or policy as applicable.
F. Monitoring and Reporting

1. **Monitoring.** The local volunteer coordinator shall monitor the program through the review of files, the documentation of data, and maintaining liaison with the supervisors of volunteers.

2. **Reporting.** The local volunteer coordinator is responsible for maintaining documentation on volunteer services and the value of donated goods and services from DOH volunteers.

   a. The local volunteer coordinator shall summarize in a quarterly report, the number of volunteers, number of donated hours, and the value of donations. This report must be made available on request. An annual report of all activities donated by volunteers shall be provided to the regional volunteer coordinator by August 1 of each year. The quarterly and annual reports will be documented on the Chapter 110 Volunteer Services Annual Report (see Appendix K).

   b. The regional volunteer coordinator shall compile annual data received from the local volunteer coordinators and report all data and information as requested by the Volunteer Health Services Program Manager by September 1 of each year.

G. **Volunteer Forms:** Volunteer forms are approved in accordance with the policies and procedures of the Department and cannot be modified without approval of the Volunteer Program Manager. It shall be a misdemeanor of the first degree to fail to disclose, by false statement, misrepresentation, impersonations or other fraudulent means, any material fact used in making a determination as to a person's qualifications to work as a volunteer.

I understand upon submission of this application it becomes public record.
